HomeCare is a home insurance product and provides the necessary financial protection to the policyholder against loss or damage to your Buildings and/or Contents if an insured event occurs during the term of the policy.

The HomeCare product is deemed most suitable for your insurance needs due to:

- ✓ The insurer's track record in the Irish insurance market;
- ✓ The service (including claims service) provided by the insurer.

The following areas of cover are included as standard in the Homecare Product:

- ✓ Building and contents cover (the sum insured is specified by you and should be the amount necessary to rebuild your home and/or replace your contents);
- ✓ Escape of water;
- ✓ Breakage of glass - covers accidental breakage of 'fixed glass';
- ✓ Loss or damage to your contents (in your home, garages, outbuildings and gardens)
- ✓ Replacement lock cover;

In addition to the above, this product offers a high degree of flexibility and choice of optional covers. If you wish to add any of the other optional covers or if you require further information on any aspect of the product we have recommended, please do not hesitate to contact us.
