The privacy policy can also be viewed in-app before signing up. Aviva DigiCare+ Workplace is provided by Square Health.

**We can help you stay healthy with the Aviva DigiCare+ Workplace app. It gives you the guidance and care you need to help detect, manage and prevent physical and mental health problems. It takes Aviva to help you live your best life.**

This easy to use mobile app makes it simple to access care and treatment from qualified professionals.

## Aviva DigiCare+ Workplace services at a glance

- ✓ **Annual Health Check** - via a self-administered fingerprick blood test, looks at 20 different health markers to help spot problems early, including diabetes risk, cholesterol status and liver health. It also includes a personalised health report with a follow-up digital GP consultation available.
- ✓ **Digital GP** - you can receive the guidance you need from a private UK registered GP through the app and usually receive an appointment within 3 hours. You have access to 20-minute video consultations (including wrap-up time), which can be shared with your eligible family members.
- ✓ **Nutritional Consultations** - you have access to 30-minute consultations with a trained nutritionist, which can be shared with your eligible family members. It offers advice and guidance on optimal eating plans, how to change your relationship with food and breaking bad habits.
- ✓ **Mental Health Consultations** - to help with many types of issues, from workplace stress to money worries, big life changes and more. Includes bereavement support for the unfortunate times when you need it. This service can be shared between you and your eligible family members.
- ✓ **Second Medical Opinion** - for an expert opinion on a recent initial diagnosis and treatment plan, this service can be shared between you and your eligible family members. These are UK based clinicians.

**There maybe limits to the number of times you can use these services, please refer to the app to check your full allowances.**
