- 2 Vote by post** – return your completed Form of Proxy to Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY. A pre-paid envelope, which will not require a stamp if posted in the UK, has been provided for your convenience.
- 3 Vote via CREST or Proximity Voting** – you can appoint a proxy via the CREST system with Computershare (ID 3RA50) or the Proximity platform. The time of receipt will be taken to be the time from which Computershare is able to retrieve the message. Full details of how to submit instructions can be found in the Circular and NOM.
- 4 Your proxy appointment must be received no later than 3.30pm Thursday, 5 May 2022.**
- The 'Vote withheld' option is provided to enable you to abstain on any particular resolution. However, a 'Vote withheld' is not a vote in law and will not be counted in the calculation of the proportion of the votes 'For' or 'Against' a resolution.
- Entitlement to attend and vote and the number of votes which may be cast at the GM will be determined by reference to Aviva's Register of Members at close of business on 5 May 2022.
- You are entitled to appoint one or more proxies of your choice to attend, speak and vote on your behalf at the GM. To appoint someone other than the Chair of the GM, please cross out 'the Chair of the GM' and insert the name of your proxy in the space provided. Your proxy does not need to be a shareholder, but must attend the GM in person or electronically. Please indicate how you wish your proxy to vote by placing a cross or other mark in the appropriate boxes. Your proxy must vote in the way that you indicate. Please note that if you do not give an instruction, your proxy may vote or abstain as they wish on any resolution. Your proxy may also vote as they wish on any other business which may properly come before the GM, including any motion to amend a resolution or to adjourn the meeting.
- You may appoint more than one proxy, provided that each proxy is appointed to exercise rights attached to different shares. To do this you may obtain additional Forms of Proxy from Computershare, using the contact details provided overleaf, or you may copy this form. Please indicate in the box below the proxy holder's name the number of shares in relation to which they are authorised to act as your proxy.
- If left blank, your proxy will be deemed to be authorised in respect of your full voting entitlement (or, if this Form of Proxy has been issued in respect of a designated account for a shareholder, the full voting entitlement of that designated account). Please also indicate, by ticking the box provided, if the proxy instruction is one of multiple instructions being given. Please sign all Forms of Proxy and return them together in the same enclosed pre-paid envelope.
- The return of a completed Form of Proxy will not prevent a member from attending the GM physically at the QEII Centre or electronically, and voting at the meeting.
- Please ensure that you sign the Form of Proxy and initial any alterations. If someone other than you signs the Form of Proxy, it must be returned with either a letter of authority, power of attorney or a certified copy of the power of attorney authorising them to sign on your behalf. If the shareholder is a corporation, the Form of Proxy must be signed either under seal or under the hand of a duly authorised officer or attorney of that company, stating their capacity. If the shareholding is held jointly, the signature of any one holder is sufficient.
- If your shareholding is held jointly, the instruction of the shareholder whose name appears first on Aviva's Register of Members will be accepted to the exclusion of any votes from the other joint holders.
- You can elect to receive an email notification when shareholder communications are available to view on the Aviva website instead of receiving hard copy shareholder communications. Simply provide your email address in the box overleaf and return the duly completed Form of Proxy to Computershare or visit www.computershare.com/AvivaInvestorCentre to register online. By entering your email address and completing and returning this form, you are accepting the terms and conditions of the Computershare Investor Centre service. The terms and conditions can be found at www.aviva.com/online
- If the address printed overleaf is incorrect, please contact Computershare using the contact details overleaf.
