

Aviva Investors Investment ISA

Additional Permitted Subscription Allowance – Application Form

Please answer all questions in CAPITAL LETTERS and tick boxes where appropriate.

Once you have completed this application form, please return it to us together with either our Bereavement Form completed by the executor(s) / personal representative (where you are making a cash or “in specie” transfer) or with your payment to Aviva Investors UK Fund Services Limited, PO Box 10410, Chelmsford CM99 2AY. Please see section 4 below for further details in relation to an “in specie” APS.

Please make any cheque payable to Aviva Investors UK Fund Services Limited.

If you wish to pay with a Bank/Building Society cheque or Banker’s Draft, the Society or Bank must endorse the cheque with the full name of the person from whose account the funds are drawn. For example, the cheque should be made payable as follows: Aviva Investors UK Fund Services Limited i.r.o. John Smith (include investor’s full name).

A copy of this completed application form is available on request.

This is an application to make either an APS in cash to the Aviva Investors Investment ISA in section 3 or an “in specie” APS in section 4. You must choose whether you are applying to subscribe under your APS allowance in cash or “in-specie” so must not complete section 3 if you complete section 4 (and must not complete section 4 if you have completed section 3).

By completing this form you are confirming to us that you are the person eligible to make the APS following the death of your spouse/civil partner. You should only complete this application form if you wish to make a subscription to an ISA using an APS allowance.

Aviva Investors will allow multiple subscriptions to be made in respect of the APS allowance, subject to the overall amount of the APS allowance. If you only subscribe for part of the APS allowance, but at a later date then wish to further subscribe for some or all of the remaining balance of the APS allowance, you will need to complete a further APS application form. However, ISA rules require that all subscriptions to an APS allowance are made within, in the case of an “in specie” APS, 180 days of beneficial ownership passing to you or, in the case of any other APS, within 3 years of the date of death, or 180 days after the estate is complete if later.

Please be aware that once an APS allowance has been transferred to us, or once a subscription has been made in respect of an APS allowance already held with us, any future subscriptions under that APS allowance must also be made with us.

Please see the Additional Permitted Subscriptions Guide for further information.

* The Aviva Investors Multi-asset Core Fund I, Aviva Investors Multi-asset Core Fund II, Aviva Investors Multi-asset Core Fund III, Aviva Investors Multi-asset Core Fund IV and Aviva Investors Multi-asset Core Fund V have a minimum initial investment of £5,000 per fund.

Note: Certain funds enable you to receive income should you wish to do so. These funds offer income shares. If you wish to have your income reinvested, the income will be used to buy further shares in the relevant fund. For the other funds, accumulation shares are issued which results in income being rolled up into the capital value of your holding. Unless you have indicated otherwise, accumulation shares will be issued where available. For investments where no bank or building society details are provided, income is automatically reinvested or accumulated as appropriate. We reserve the right to deal only following the receipt of cleared funds.

4. In specie APS details

Please only complete this section of the application if you wish to make an in specie APS. An in specie APS is where the shares which your spouse/civil partner held in their ISA are transferred to your ISA (without having to be sold and the subscription under the APS allowance made in cash).

You should not complete section 3 if you complete this section 4. We will also require our Bereavement Form to be completed by their executor(s) / personal representative. For further information, please refer to our guide entitled **What to do after a bereavement**.

Please indicate below the investments which your spouse/civil partner held in their ISA(s) with us which you wish to be transferred to you pursuant to an in specie APS:

Name of Fund	Share Class	Number of shares to be transferred.*	Tick if income is to be paid out
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="checkbox"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="checkbox"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="checkbox"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="checkbox"/>

* If the entire holding in a Fund is to be transferred, "All" may be entered, instead of an actual number.

Note: In order to be able to make an "in specie" APS, the above investments:

- 1) must have been held by your spouse/civil partner in an ISA with us – an in specie APS is therefore not available where you have transferred the APS allowance to us from another ISA provider;
- 2) must have been inherited by you – this will be evidenced by virtue of the executor(s) / personal representative of the estate of your spouse/civil partner completing our Bereavement Form; and
- 3) must still be held with Aviva Investors or its nominee – an in specie APS is therefore not available where the investments have already been redeemed or transferred out of the estate of your spouse/civil partner.

The value of the in specie subscription will be calculated on the day of transfer of the above investments to your ISA. If this exceeds the amount of your APS allowance with us, then only an amount of the above investments up to the APS allowance will be transferred to your ISA. We will therefore reduce the number of shares in each fund listed above to be transferred by an amount which is proportionate to the difference between the total value of all of the above investments at the date of transfer and the amount of the APS allowance. The remainder shall be (please tick one box):

Transferred to you to be held outside of your ISA directly in the ICVCs applicable to the above funds; or

Redeemed and the proceeds returned to you.

5. Bank/building society details

Only complete this section if you wish to receive income payments (or regular capital withdrawals for Multi-asset Plus Funds). Please note that income is only paid from those funds indicated by a tick box in section 3 or section 4 (as appropriate). Income will be paid by direct credit to your UK bank or building society account and will be paid from outset. If you wish to take income at a later date, please contact us at the time. For all investments where no bank or building society details are provided, income is automatically reinvested or accumulated as appropriate.

8. Prevention of money laundering

In accordance with EU and UK legislation relating to the prevention of money laundering we are obliged to verify the identity and address of all parties to this contract (e.g. planholder, third parties including beneficial owners). In the case of legal arrangements we are also required to establish the identity of any controllers that are not named parties as well as individuals who have a specified beneficial interest in the contract.

Where a financial adviser or Aviva Investors Representative is involved they will let you know what evidence you need to produce. If you are applying to us direct we will verify your identity with a third party identity verification company.

In certain circumstances you may be required to provide further evidence of your identity and confirmation of address, in which case Aviva Investors will contact you. If the product you are applying for allows payment by cheque and you wish to pay with a Bank/Building Society cheque or Banker's Draft, the Society or Bank must endorse the cheque with the full name of the person from whose account the funds are drawn.

9. Delivery versus payment (DVP) exemption

We may make use of the Delivery versus Payment (DVP) exemption for Collective Investment Schemes as defined in the Financial Conduct Authority's Client Assets Sourcebook. This means your uninvested money may not be protected if Aviva Investors UK Fund Services Limited becomes insolvent during the period covered by the exemption.

There are no circumstances under which you should pay money into Aviva Investors UK Fund Services Limited's own bank accounts in relation to your Aviva Investors Investment ISA and we will not ask you to do so. However, in the event that we do receive money from you directly into these accounts, the DVP exemption will be used and any money we receive from you into those accounts may not be protected from the day we receive it to the close of the next business day. We will not use the DVP exemption for any payments received from you by cheque, Direct Debit or debit card and therefore these payments will be protected at all times.

The DVP exemption will also be used when we make payments to you by electronic bank transfer. When this happens your money may not be protected from the start of the day we are due to make the payment to you up to the end of the next business day. We will not use the DVP exemption for any payments we make to you by cheque and therefore these payments will be protected at all times.
