The net asset value of the Sub-Fund is expected to fall to an amount which is below the minimum level for the Sub-Fund portfolio to be managed in an efficient manner on or around the end of Q2 2024, as a result of an expected large redemption.

This perspective, combined with the lack of new investor interest have led the Board of Directors of the Fund (the "**Board**") to resolve in your best interest to liquidate the Sub-Fund with effect as of 12<sup>th</sup> July 2024 (the "**Liquidation Date**").

The Investment Manager will bear the legal costs incurred by the liquidation of the Sub-Fund, except for the trading-related transaction costs associated with the disposal of the Sub-Fund's investments which will be supported by the Sub-Fund and, as a result, the shareholders of the Sub-Fund will bear a proportion of these costs, an estimate of which has been accrued for in the net asset value with effect as of 27<sup>th</sup> May 2024.

The Investment Manager will realise the assets of the Sub-Fund in your best interest. As from the date of this notice the portfolio of the Sub-Fund may be composed of cash only for the purpose of the expected liquidation, meaning that its investment policy and applicable investment restrictions may no longer be complied with.
