

## NOTICE TO SHAREHOLDERS OF AVIVA INVESTORS — SHORT DURATION GLOBAL HIGH YIELD BOND FUND (THE "SUB- FUND")

Luxembourg, 27 February 2026

Dear Shareholder,

We would like to inform you that following a strategic review of the Fund's fixed income product offering, which was undertaken to ensure that the Sub-Fund's investment policy remains clear, current and aligned with market practice, and to allow Aviva Investors Global Services Limited the Investment Manager, access to a broader range of instruments commonly used within high yield strategies, Board of Directors of the Fund (the "Board") has decided to amend the investment policy of the Sub-Fund.

The amendments to the Sub-Fund's investment policy will also ensure the Sub-Fund's strategy remains competitive, and provide controlled flexibility while preserving the Sub-Fund's core high yield mandate and enhancing return potential.

The amendments comprise both an expansion of the Sub-Fund's investable universe, within defined limits, and a clarification of certain elements of the existing investment policy, with the aim of improving consistency, transparency and facilitating shareholders' understanding.

The changes, as detailed below, will be effective from 1 April 2026 (the "Effective Date").

In addition to the changes highlighted above, the Board has decided to clarify the exclusions applied by the Investment manager to the Sub-Fund by removing the Strategy section of the Sub-Fund. The exclusions, as described in the Strategy section were not not correctly reflecting the Investment manager exclusions policy. For further information on the activities excluded from the Sub-Fund's investment universe, please refer to the Investment Manager's exclusions policy.

The changes as described above will be reflected in the Fund's prospectus in the section "Investment Policy" of the Sub-Fund's description section as well as in the Sub-Fund's Annex II – Pre-Contractual Disclosures under the question "What investment strategy does this financial product follow?".

For the avoidance of doubt, the amendments will have no impact on the Sub-Fund's liquidity and risk profile nor on the way the Sub-Fund is managed.
