

Transcript for Our Planet Too Big To Fail Trailer

DA: The value we placed on a stable natural world will ultimately determine its future.

DA: Do we invest money in the practices that take us deeper into this crisis or the solutions that could us get out of it?

[Background Music]

GT: The problem with climate change is that it's not a quarterly issue, it's a quarter-century issue.

[Background Music]

SW: There is over 300 trillion in the global capital markets and that money can be harnessed to do a great deal of good.

[Background Music]

MC: The biggest risk is inaction in action today.

HM: This is the most well educated and most well-paid industry and I'll be disappointed if we cannot change ourselves.
