## The contract between us

The contract of insurance between you and us consists of the following elements:

- your policy booklet(s);
- information contained on your statement of fact document as issued by us;
- your schedule (including any endorsements shown on it);
- your Certificate of Motor Insurance;
- changes to your policy in notices we give you at renewal;
- information under the heading “Important Information” which we give you when you take out or renew your policy

In deciding to accept this policy, and in setting the terms and premium, we have relied on the information which you have provided to us. So please make sure it is accurate, complete and kept up to date.

In particular, please read **Information you have given us** and **Changes we need to know about**.

We will, in consideration of the payment of the premium, insure you, subject to the terms and conditions of this policy, against the events:

- set out in those sections that are operative; and
- which happen during the period of insurance.

## Renewing this policy

We will write to you in advance of your renewal date with our offer to renew, or to give you plenty of time to make other arrangements if we are unable to renew your insurance. The renewal offer will include the premium and any changes in the terms and conditions for the next policy period which, unless you have advised us otherwise, will automatically proceed if you continue to pay your premium. Where we have agreed to collect this premium automatically we will continue to do so unless you tell us differently. If you do not wish to renew your insurance please contact your insurance advisor before the renewal date of your policy.

If you wish to make any changes at renewal, please contact your adviser.

At renewal, a 14 day cooling off period applies which starts from the renewal of the contract or the day on which you receive your renewal documentation, whichever is the later.

Please read **The right to cancel** section of this wording which explains how this works.

## Reading this policy

Please read this policy carefully and make sure that it meets your needs. If you require clarification, you should contact your insurance adviser who arranged this policy. If you wish to increase or add elements of cover to this policy, you should also contact your insurance adviser.

Please keep this policy in a safe place – you may need to refer to it if you have to make a claim.

## Defined terms

Certain terms, including ‘you’ and ‘we’, have special meanings in this document. You can find them listed in **Definitions**. You can also find a list at the start of each section, showing the defined terms in that section.

## Accessibility

Please ask your insurance adviser who arranged this policy if you need accessible versions of this policy and its associated documents. We can provide them in Braille, audio or large print.

## Telephone call charges and recording

Calls to 0800 numbers from UK landlines and mobiles are free. The cost of calls to 03 prefixed numbers are charged at national call rates (charges may vary dependent on your network provider) and are usually included in inclusive minute plans from landlines and mobiles. For our joint protection telephone calls may be recorded and/or monitored.

## The right to cancel

### Your right to cancel - During the cooling-off period

You have a statutory right to cancel your policy within 14 days from the day of purchase or renewal of the contract, or the day on which you receive the policy or renewal documentation, whichever is the later.

If you wish to cancel and the insurance cover has not yet commenced, you will be entitled to a full refund of the premium paid.

Alternatively, if you wish to cancel and the insurance cover has already commenced, you will be entitled to a refund of the premium paid, less a proportionate deduction for the time we have provided cover. You will not receive a refund of the premium if we have paid a claim during the cooling-off period.

To cancel, please contact your insurance adviser.

If you do not exercise your right to cancel your policy, it will continue in force and you will be required to pay the premium.

### Your right to cancel - After the cooling-off period

Following the expiry of your 14-day statutory cooling off period you continue to have the right to cancel this policy at any time during its term. If you do so, you will be entitled to a refund of the premium paid in respect of the cancelled cover, less a proportionate deduction for the time we have provided such cover. You will not receive a refund of the premium if we have paid a claim during the period of insurance. To cancel, please contact your insurance adviser at the address shown on your schedule.

### Our right to cancel

We may cancel this policy where there is a valid reason for doing so, by sending at least seven days' written notice to your last known postal and/or e-mail address setting out the reason for cancellation.

Valid reasons include but are not limited to the following:

- non payment of premium. If premiums are not paid when due we will write to you requesting payment by a specific date. If we receive payment by the date set out in the letter we will take no further action. If we do not receive payment by this date we will cancel the policy from the cancellation date shown on the letter
- where we reasonably suspect fraud where the persons insured fail to co-operate with us or provide us with information or documentation we reasonably require, and this affects our ability to process a claim or defend our interests. See the 'How to claim' section of the **General conditions** in this policy booklet
- where you have not taken reasonable care to provide complete and accurate answers to the questions we ask. See 'The Information you have given us and changes we need to know about' section of this policy booklet and the separate 'Important Information' notices supplied.

If you are struggling to pay your premiums due to financial difficulty it's vital that you contact your insurance advisor right away. We can provide flexible payment terms for customers in financial distress and who pay by Direct debit, as well as offering installment facilities for customers who pay annually.

If we cancel the policy under this section you will be entitled to a refund of the premium paid in respect of the cancelled cover, less a proportionate deduction for the time we have provided such cover, unless the reason for cancellation is fraud and/or we are legally entitled to keep the premium under the Consumer Insurance (Disclosure and Representations) Act 2012.

Important note: The Consumer Insurance (Disclosure and Representations) Act 2012 sets out situations where failure by a policyholder to provide complete and accurate information requested by an insurer allows the insurer to cancel the policy, sometimes back to its start date and to keep any premiums paid.

Where our investigations provide evidence of fraud or a serious non-disclosure we may cancel the policy immediately and backdate the cancellation to the date of the fraud or when you provided us with incomplete or inaccurate information, which may result in your policy being cancelled from the date you originally took it out.

This policy comprises of different sections, with cover provided by different insurers.

### What if you give incorrect information?

#### If you were careless

If we establish that you carelessly provided us with untrue or misleading information, we will have the following rights:

- 1 If we would not have provided you with cover, we can treat this policy as if it never existed, refuse to pay any claims and return the premium you have paid.
- 2 If we would have provided you with cover on different terms, we can treat this policy as if it had been entered into on different terms from those agreed.
- 3 We can reduce the amount we pay on any claim in the proportion that the premium you have paid bears to the premium we would have charged you, if we would have charged you more.

An insured person must:

## Conditions relating to claims

The conditions listed below apply to every section of this policy, unless otherwise stated. There are additional specific conditions listed under particular sections.

### Claims management

Acting in your name, we may take over the defence or settlement of any claim at our expense.

### Your property

The insured vehicle specified in the schedule and/or Certificate of Motor Insurance shall remain the property of the owner at all times. We will not take ownership of, accept liability for, sell or dispose of the insured vehicle unless:

- we agree with you, the household member or the insured person in writing that we shall do so; or
- there is a total loss which means that any salvage becomes our property.

### Recovering payments which are not covered

We have the right to recover from you, a household member or an insured person any payments not covered by this policy which we are obliged to make under the laws of any country.

### Recovered property

If we recover the insured vehicle after we have paid your claim, we will notify you and you may buy the insured vehicle back from us at the same value paid under your claim.

### Reward

At our discretion, and only as allowed by any applicable law, we will pay a reward of up to £50,000 for information leading to a criminal conviction of anyone who committed an illegal act which resulted in a payment under this policy.

We will not pay any rewards to you, a household member, an insured person, or the police or other authority.

### Rights of recovery

Where we pay a claim under this policy and you, a household member or an insured person have the right to recover from a third party, we may commence legal proceedings in your, or their, name to recover sums for ourselves up to the amount of the claim paid under this policy.

If the insured vehicle specified in the schedule is stolen from or damaged at a commercial storage facility where you pay to keep the insured vehicle away from the residence as stated in the schedule, the maximum amount we will look to recover from them is £3,000,000. Any such facility must be approved in advance by us, and not owned by you.

You, a household member or an insured person must:

- provide us with all the help we need to recover such sums; and
- do nothing to prejudice any rights that may exist for your, or their, benefit against a third party.

### Total loss

At payment of a settlement relating to a total loss, the insured vehicle specified in the schedule becomes our property. We will deduct any amount from the claims settlement needed to discharge any outstanding finance agreements associated with the insured vehicle.

Cover under this section is subject to the terms, conditions, applicable limits and exclusions in this policy and the excess.

### Valuation basis

For each occurrence which causes loss or damage to the insured vehicle, we will pay:

- on an agreed value basis; or
- on a market value basis;

with any payment being subject to the excess, unless the occurrence is a total loss.

Your schedule will show which valuation basis of cover applies to each insured vehicle specified in the schedule.

Where a vehicle is not specified in the schedule, market value will apply.

### Agreed value

The following provisions apply where an insured vehicle's valuation basis is agreed value.

The agreed value stated in the schedule is the actual value of the vehicle as agreed between you and us at the start of the period of insurance and includes any manufacturer or after sale modifications which are agreed by us.

The agreed value may be amended by us upon renewal of this policy so that it reflects current costs and values.

### Agreed value – total loss

If, as the result of an occurrence, an insured vehicle is a total loss, we will pay the agreed value or an amount which exceeds the agreed value, subject to the following conditions:

- where the insured vehicle is less than 24 months old, either:
  - we will pay to replace the insured vehicle with a new vehicle; or
  - we will pay up to the agreed value to replace the insured vehicle if the agreed value is greater than the cost of a new vehicle

which is made by the same manufacturer and is the same model and specification or its equivalent if no longer available.

The new vehicle replacement is subject to the insured vehicle having been registered as new in the United Kingdom; and the consent of the hire purchase company if the insured vehicle has been purchased under a hire purchase agreement.

- where the insured vehicle is 24 months or older but less than 15 years old and
  - the agreed value is less than £750,000, we will pay up to 150% of the agreed value to replace the insured vehicle with a comparable vehicle; or

- where the insured vehicle is more than 15 years old, we will pay an amount up to 125% of the agreed value, or £250,000, whichever is the lesser, to replace, or at our discretion, to repair the insured vehicle to its condition immediately before the occurrence. We will:
  - only make payments if we agree repair works before they commence; and after you have provided us with invoices in respect of those repair works;
  - not make cash payments under any circumstances; and
  - not make any payments for depreciation in value under this condition.

### Agreed value – partial damage

If, as the result of an occurrence, an insured vehicle is partially damaged, we will:

- pay for the damaged parts to be repaired or replaced, whichever is less, up to the agreed value for each occurrence; and
- replace damaged parts with the original manufacturer's parts, subject to availability.

We will not make deductions for depreciation.

If we cannot replace matching wheels or upholstery of any insured vehicle that is specified in the schedule and/or the Certificate of Motor Insurance because they are obsolete, we will pay up to

£50,000 to replace all of the insured vehicle's wheels (not including tyres) or upholstery. You must agree to give us the undamaged wheels or upholstery.

We have access to a panel of expert repairers who provide a fast and efficient repair service. However, if you wish to do so, you can use your own nominated repairer.

You must obtain our approval before you start repairs.

If the insured vehicle is worth less after work to repair partial damage covered by this policy has been carried out and the insured vehicle:

- is more than 15 years old; and
- was purchased by you or was valued by an independent valuer or vehicle specialist within the last 24 months before it was damaged,

we will pay the difference between its agreed value before and after repair:

- up to 100% of the covered repair cost; or
- £350,000; or
- 25% of the amount of sum insured,

whichever is the lesser amount.

### Market value

The following provisions apply where an insured vehicle's valuation basis is market value.

### Market value – total loss

If, as the result of an occurrence, an insured vehicle is a total loss, we will pay the cost to replace the insured vehicle with a comparable vehicle.

We will not pay more than the market value, or the amount stated in the schedule, whichever is the lesser amount, in any circumstances.

### Market value – partial damage

If, as the result of an occurrence, an insured vehicle is partially damaged, we will:

- pay for the damaged parts to be repaired or replaced, whichever is less, up to the market value for each occurrence. We will not pay more than the market value, or the amount stated in the schedule, whichever is the lesser amount, in any circumstances; and
- replace damaged parts with the original manufacturer's parts, subject to availability.

We will not make deductions for depreciation.

If we cannot replace matching wheels or upholstery of any insured vehicle that is specified in the schedule and/or the Certificate of Motor Insurance because they are obsolete, we will pay up to £50,000 to replace all of the insured vehicle's wheels (not including tyres) or upholstery. You must agree to give us the undamaged wheels or upholstery.

We have access to a panel of expert repairers who provide a fast and efficient repair service. However, if you wish to do so, you can use your own nominated repairer.

You must obtain our approval before you start repairs.

### Previous occurrences

Where we have paid a claim in respect of an occurrence involving an insured vehicle and the damage to that insured vehicle has not been repaired, we will reduce our payment by the same amount in the event of a second occurrence, unless the damage caused by the second occurrence is unrelated to the damage caused by the first occurrence.

### Stolen insured vehicles

If the insured vehicle is stolen and then recovered, we will return it to you at the residence stated in the schedule. We will pay for any damage resulting from the theft which is covered by your policy. If we recover the insured vehicle after we have paid your claim, we will notify you and you may buy the insured vehicle back from us at the same value paid under your claim.

### Rental vehicles

We will cover any rental vehicle that you or a household member over the age of 21 rent for up to 90 days anywhere within the territorial limits if you use it with the owner's permission.

## Breakdown solutions in the United Kingdom

### Roadside assistance, home start and recovery

#### Fixing the insured vehicle at the roadside

Our operator will send help to the scene of the breakdown in the United Kingdom. We will cover the cost of call-out fees and mileage charges needed to make a repair at the roadside or recover an insured vehicle, provided that the insured vehicle is at least 1 mile away from your residence.

#### If it cannot be fixed within 1 hour

If, in the opinion of our recovery operator, it is not possible to repair the insured vehicle at the roadside within 1 hour, our operator will arrange for the insured vehicle, the insured person and any passengers to be taken to the nearest suitable garage able to undertake the repair.

#### If it cannot be fixed the same day

If this is not possible, or if the garage cannot make the repair within the same working day, our operator will arrange for the insured vehicle, the insured person and any passengers to be taken either to your residence or, if you prefer, their original destination or an alternative address (for example, the insured person's place of work) in the United Kingdom.

### If the insured vehicle needs to be recovered

If the insured vehicle needs to be recovered, the insured person must give our operator the address that they would like it to be taken to.

Once it has been delivered to that address, it will be left at their own risk.

### Redelivery cover

In relation to a claim we have accepted where the insured vehicle cannot be fixed the same day, we will subsequently arrange with the insured person to collect the insured vehicle and take it to the nearest suitable garage when they are able to accept it for repair.

Alternatively, if the insured person would prefer to leave the insured vehicle unattended at a suitable garage which is closed, we will reimburse their taxi fares for a journey of up to 20 miles from their home address (or if they would prefer, and it is closer, their original destination within the United Kingdom) to the suitable garage following completion of repairs to the insured vehicle. We will reimburse claims when we are in receipt of valid proof of payment.

### Alternative travel

If the insured vehicle cannot be repaired locally on the same day or within a period of time agreed between the insured person and our operator, and is at least 20 miles away from your residence, or if it is stolen, we will help the insured person to complete their original journey by paying:

- up to £250 towards the cost of alternative transport; or
- for a hire vehicle up to 3,000cc.

This applies as long as the insured vehicle remains unroadworthy.

We will pay up to £150 towards the cost of transport for 1 person to collect the insured vehicle when it has been repaired.

The insured vehicle must be repaired at the nearest suitable garage to the breakdown location.

Where possible, rescue and repair services will be provided on a pay/claim basis. This means that the insured person must pay initially and we will reimburse them when we are sent a valid invoice/receipt.

Before the insured person arranges for these services, they must get authorisation from our operator.

## Emergency overnight accommodation

Where Alternative travel cover applies, but it is more practical or cost effective to provide emergency accommodation for a single night, we will pay up to £150 per person towards the cost of overnight accommodation including breakfast for the insured person and any passengers while the insured vehicle is being repaired.

We will not pay more than £1,000 for each claim under Emergency overnight accommodation.

The insured vehicle must be repaired at the nearest suitable garage to the breakdown location.

Where possible, rescue and repair services will be provided on a pay/claim basis. This means that the insured person must pay initially and we will reimburse them when we receive a valid invoice/receipt.

Before the insured person arranges for these services, they must get authorisation from our operator.

## Home assist

The insured vehicle will be covered at your residence or within a 1 mile radius.

If the insured vehicle cannot be repaired at your residence, our operator will arrange for you and the insured vehicle to be taken to the nearest suitable garage. This must take place at the same time as the initial call-out.

## Keys

If the insured person locks the key in the insured vehicle and they cannot get a spare set on the same day, we will pay the call-out fee for a recovery operator who will try to retrieve the key if possible.

If we cannot retrieve the key it is often possible to provide a replacement key at the scene. The insured person will have to pay for the replacement key.

If it is not possible to retrieve the key, or if the insured person has lost or broken it and cannot get a replacement at the scene, or if they are away from your residence, we will pay the mileage to a place where the insured vehicle can be stored securely, or to your residence if it is nearer.

## Message service

At the insured person's request, our operator can pass on 2 messages to their residence or place of work to let others know of their breakdown.

## Misfuelling

If the insured person fills the insured vehicle's fuel tank with the wrong type of fuel, it may be necessary to drain and flush out the fuel tank at the roadside or at a suitable garage if this is not possible.

Misfuelling the insured vehicle can sometimes cause extensive damage which a fuel drain and flush will not put right. If the insured person would prefer their own repairer to carry out the fuel drain and flush, our operator will arrange for the insured vehicle, the insured person and any passengers to be taken to that preferred repairer if they are within 10 miles of the breakdown. The insured person must pay initially and we will reimburse the insured person when we receive a valid invoice/receipt.

We The most we will pay is the cost of 10 litres of correct fuel.

The most we will pay is £250 in total for each claim under Misfuelling.

This policy will pay any otherwise covered claim involving the use of or inability to use a computer, including devices such as smart phones, tablets and wearable technology. This cover is subject to all other policy terms.

## Breakdown solutions in Europe

### Roadside assistance

Our operator will send help to the scene of the breakdown in Europe, and we will cover the cost of call-out fees and mileage charges needed to make a repair at the roadside if this is possible within 1 hour.

Due to differing national standards and infrastructures, assistance may take longer to arrive.

### Recovery

If, in the opinion of the recovery operator, they are unable to repair the insured vehicle within 1 hour at the roadside, we will arrange for the insured vehicle, the insured person and any passengers to be taken to the nearest suitable garage able to undertake the repair.

### Alternative travel abroad

If the insured vehicle cannot be repaired locally on the same day or within a period agreed with the insured person and our operator, or if the insured vehicle is stolen, we will pay:

- up to £500 towards the cost of alternative transport; or
- for a hire vehicle up to 3,000cc.

This applies as long as the insurance vehicle remains unroadworthy.

We will pay up to £200 towards the cost of transport for 2 people to collect the insured vehicle when it has been repaired.

The insured vehicle must be repaired at the nearest suitable garage to the breakdown location.

Where available, these services will be provided on a pay/claim basis. This means that the insured person must pay initially and we will reimburse them when we receive a valid invoice/receipt.

Before the insured person arranges for these services, they must get authorisation from our operator.

At all times during their journey the insured person must make sure that they are carrying their driving documents:

- driving licence; and
- V5C registration document (logbook).

Due to local regulations and customs, the insured person may be required to provide copies of these documents. The insured person will be responsible for any costs if copies are not immediately available.

### Emergency overnight accommodation abroad

Where Alternative travel abroad cover applies, but it is more practical or cost effective to provide emergency accommodation for a single night (or as agreed in advance between the insured person and our operator), we will pay up to £150 per person towards the cost of overnight accommodation including breakfast for the insured person and any passengers while the insured vehicle is being repaired.

We will not pay more than £1,000 for each claim under Emergency overnight accommodation abroad.

### Shipping of spare parts

Where it is efficient and cost effective to do so, we will pay up to £150 towards the cost of shipping spare parts to the suitable garage. The insured person will be responsible for the cost of the spare parts and we will only organise shipping once they have confirmed payment.

The insured vehicle must be repaired at the nearest suitable garage to the breakdown location.

Where available, these services will be provided on a pay/claim basis. This means that the insured person must pay initially and we will reimburse them when we are sent a valid invoice/receipt.

Before the insured person arranges for these services, they must get authorisation from our operator.

At all times during their journey the insured person must make sure that they are carrying their driving documents:

- driving licence; and
- V5C registration document (logbook).

Due to local regulations and customs, the insured person may be required to provide copies of these documents. The insured person will be responsible for any costs if copies are not immediately available.

### Repatriation service

If the insured vehicle cannot be repaired within 48 hours of the original breakdown or by the time the insured person intended to return to their residence, whichever is later, we will arrange for the insured vehicle, the insured person and any passengers to be taken either to your residence, or if they would prefer it and it is closer, their original destination within Europe.

We will need to know details of the insured person's itinerary. If requested, they must be able to provide proof of both outbound and inbound travel dates to validate the claim.

## Your breakdown solutions: Exclusions

The following exclusions apply to this part of your policy, in addition to those in the policy itself.

### Charges by other companies

We do not provide cover for the cost of vehicle storage expenses or charges made by any other company (including police recovery) not authorised by our operator or where the insured person arranges for recovery or repairs by other means.

### Compliance

We do not provide cover if the insured person does not comply with requests by our operator or our recovery operator concerning the assistance being provided.

### Cost of parts

We do not cover the cost of any parts, components or materials used to repair the insured vehicle.

We will not cover damage to the insured vehicle or its contents while it is being recovered, stored or repaired. We do not cover any liability for damage which happens while the insured vehicle is being recovered.

### Hire cars

We do not cover the costs of fuel, oil or insurance for a hire car.

We do not provide cover for vehicles which are deemed to be illegal, either because they are dangerous or because they do not have up-to-date road tax, a valid MOT certificate or insurance.

### Indebtedness

We do not cover any services if you already owe our operator money.

### Labour costs

We do not cover labour costs for repairing the insured vehicle, other than the labour costs at the scene of the breakdown or as part of Misfuelling.

### Maintenance failure

We do not cover a breakdown caused by the failure to maintain the insured vehicle in a roadworthy condition, including maintenance or proper levels of oil and water.

### Missing tools

We will not cover costs incurred in addition to the standard call-out where repairs cannot be done at the roadside because:

- the insured vehicle is not carrying a serviceable spare wheel, an aerosol repair kit or an appropriate jack; or

- the locking mechanisms for the wheels are not immediately available to remove the wheels.

This exclusion does not apply to motorcycles or scooters.

### Modifications

We do not cover the cost of any additional charges resulting from aftermarket modifications to the insured vehicle.

### Other activities

We will not cover the insured vehicle being used for other activities such as rallies, motor racing, rental, hire, public hire, private hire, courier services or any contest or speed trial or practice for any of these activities.

### Overloading

We will not cover claims caused by overloading the insured vehicle or carrying more passengers than it is designed to carry.

### Repatriation

We do not cover repatriation to the United Kingdom within 48 hours of a breakdown, regardless of ferry or tunnel bookings for the homebound journey or prearranged appointments the insured person has made within the United Kingdom.

### Snow, mud, sand, water, ice or flood

If the insured vehicle is immobilised due to snow, mud, sand, water, ice or flood, we will not pay for specialist equipment,

additional manpower and/or recovery vehicles or for recovery more than 10 miles from the scene of the breakdown.

### Specialist equipment

We do not cover the costs of the use of specialist equipment occasionally required because the insured vehicle is not between the kerbs, it has modifications, or nearby obstructions are impeding the usual method of assistance.

### Subsequent call outs

We do not provide cover for subsequent call-outs relating to a claim made within the last 28 days, unless the insured vehicle:

- has been fully repaired at a suitable garage;
- has been declared fit to drive by our recovery operator; or
- is in transit to a pre-booked appointment at a garage.

Travel outside the period of insurance

We will not cover any breakdown in Europe happening on a journey which was planned to finish or subsequently finished after the expiry of the period of insurance.

### Unsecured vehicles

We will not provide assistance if the insured vehicle is not secure or has faults with electric windows, sunroofs or locks, unless the fault occurs during the course of a journey and the insured person's safety is compromised.

## Your breakdown solutions: Conditions

If our risk increases because the insured person has failed to keep to the conditions listed below, we can cancel this section or refuse to provide assistance.

### Your duties in the event of a breakdown

#### Call us

If the insured vehicle breaks down contact the Control Centre as soon as possible.

Telephone from within the United Kingdom: 0800 068 3239

From Europe: +44 (0) 1603 606 679

Please have the following information ready as it will be needed to check the policy cover:

- the insured vehicle registration;
- the precise location of the insured vehicle (or as accurate as possible in the circumstances);
- a return telephone number.

Our operator will take the insured person's details and make the necessary arrangements to assist them.

#### Keep your mobile phone switched on

A mobile phone must therefore be switched on and available to take calls at all times. To help our operator to provide a quality service, all calls will be recorded.

#### Remain near your vehicle

Stay safe but remain with or near to the insured vehicle until the recovery operator arrives. Once the recovery operator arrives at the scene please be guided by their safety advice.

#### If you break down on a UK motorway

If the breakdown is on a United Kingdom motorway and the insured person has no means of contacting us or is unaware of their location, the insured person should use the nearest SOS box and advise the police of our telephone number. They will contact us to arrange assistance.

If the Police are present at the scene, please advise them that we have been contacted or give them our telephone number to make contact on behalf of the insured person.

#### If you break down in Europe

If the breakdown is on a motorway or major public road in Europe, the local highway authority may require the insured person to use a local private towing service. The insured person will need to use the SOS phones to call for assistance.

The private towing service will tow the insured vehicle to a place of safety and the insured person will be required to pay for the service immediately.

The insured person can then contact us for further recovery and assistance. Please retain all receipts.

### Your responsibilities

The insured person must stay with or near the insured vehicle until help arrives.

If the insured vehicle cannot be repaired at the roadside, the insured person must accept the assistance being provided.

Where the insured vehicle is recovered to a suitable garage and it can be repaired, the insured person must have adequate funds to pay for the repair including replacement parts immediately. If they do not have funds available, any further assistance will be denied.

Repairs are provided under a separate contract, which is between the insured person and the repairer.

The insured person should wait for assistance to ensure that the insured vehicle is functioning correctly. If they do not wait for assistance and the insured vehicle breaks down again within 12 hours, the insured person will be charged for the second and any subsequent call-outs.

### Our rights

Our operator will refuse to provide assistance if the insured person or any of their passengers are being obstructive in allowing us to provide the most appropriate assistance or are abusive to our recovery operator.

If the insured person uses the service and the claim and/or fault is subsequently found not to be covered by this section, we reserve the right to reclaim any costs that have been incurred from the insured person.

If the insured vehicle is beyond economical repair, we have the right to offer the market value of the insured vehicle to the insured person and pay for alternative transport home or, if the insured person would prefer and it is closer, to their intended destination.

Our operator reserves the right to recover the immobilised vehicle in accordance with and subject to any legislation which affects drivers' working hours.

The transportation of pets and livestock will be at the discretion of the recovery operator. Alternative transport can be arranged but the insured person will need to pay for this service immediately by credit or debit card.

### Other insurance

We will not pay more than our fair share (rateable proportion) for any claim covered by another policy, or any claim that would have been covered by any other policy if this section did not exist.

We reserve the right to claim back any costs that are recoverable through a third party.

## Personal injury and uninsured loss recovery

We will pay the legal costs for legal proceedings started on the insured person's behalf and in connection with the costs of pursuing civil claims arising from an insured incident relating to the use of the insured vehicle which results directly in the death of or personal injury to the insured person and/or any and all other incidents of uninsured losses.

We will only provide cover if the legal costs and insured incident took place during the period of insurance and the incident leading to the insured person's claim is covered by a court in the territorial limits.

The most we will pay under this cover is £150,000 for all insured incidents which are related in time or by cause.

This includes legal costs of both the insured person and any opponents where the insured person is liable to pay them.

If the insured person is awarded costs, they must use these to repay the amount we have paid out on their behalf in connection with the proceedings.

If the legal costs are greater than the amount the insured person is awarded for those costs and expenses, we will pay the extra amount (up to the limit under this section).

## Motor prosecution defence

We will pay up to £100,000 in defending the insured person's legal rights, including an appeal against conviction or sentence after an event which gives rise to a criminal prosecution against the insured person for a motoring offence which arises in the territorial limits as a result of the insured person owning or using the insured vehicle where:

- the date when the motoring offence occurred or is alleged to have occurred is within the period of insurance;
- the insured person is facing disqualification or suspension of their driving licence, and
- there are prospects of success to secure a not guilty verdict.

## Motor legal expenses: Exclusions

The following exclusions apply to this section of your policy, in addition to those in the policy itself.

We will not pay legal costs in the following circumstances.

### Where it would cost more than you hope to gain

We will not pay legal costs for legal proceedings where a reasonable estimate of the legal costs is greater than the amount in dispute (other than in relation to Uninsured loss recovery claims).

### Where we haven't approved your claim in advance

We will not pay legal costs for legal proceedings if we have not agreed to the legal costs in advance or before we have accepted the claim in writing.

### Fines and penalties awarded against the insured person by a criminal court

We will not pay legal costs for legal proceedings for claims which relate to fines and penalties awarded against the insured person by a criminal court.

### No valid driving licence, MOT certificate or more than 9 points

We will not pay legal costs for legal proceedings for incidents where the insured person was not in possession of a valid driving licence or where the insured vehicle was not covered by a valid MOT certificate where appropriate or was not in a roadworthy condition. For claims under Motor prosecution defence the insured person's driving licence must have no more than 9 points on it at the date when the motoring offence occurred or is alleged to have occurred.

### Racing, rallies and competitions

We will not pay legal costs for legal proceedings for incidents arising from the use of an insured vehicle, by or on behalf of the insured person for racing, rallies, competitions or trials of any kind.

### Late claims

We will not pay legal costs for legal proceedings for incidents if we are not told about the claim within 180 days of the event which caused it.

### Prospects of success

We will not pay legal costs for legal proceedings for claims where there are no prospects of success. We will continue to assess whether prospects of success exist throughout the insured person's claim and if at any time we consider the insured person's claim no longer has prospects of success and/or an alternative course of action is appropriate and/or under the terms and conditions of the policy the claim is not admissible, then we will inform the insured person in writing of our decision and the reason behind that decision. Having informed the insured person of this, and subject to the policy conditions, we may withdraw further cover for legal costs.

### Parking fines and obstructions

We will not pay legal costs for legal proceedings for claims arising from parking or obstruction offences.

### Electronic data

We will not pay legal costs for legal proceedings as a consequence, howsoever caused, including for example computer virus, of electronic data being lost, destroyed, distorted, altered, or otherwise corrupted.

For the purposes of this exclusion:

- computer virus means a set of corrupting, harmful, or otherwise unauthorised instructions or code, whether these have been introduced maliciously or otherwise, and multiply themselves through a computer system or network of whatsoever nature.
- electronic data means facts, concepts and information stored to form useable data for communications, interpretations, or processing by electronic or electromechanical data processing or other electronically controlled hardware, software and other coded instructions for the processing and manipulation of data, or the direction and manipulation of such hardware.

### Terrorism

We will not pay legal costs for legal proceedings for claims arising as a direct or indirect consequence of terrorism as defined by the Terrorism Act 2000 and any amending or substituting legislation.

### **Territorial limits**

We will not pay legal costs for legal proceedings arising from an insured incident that occurs outside the territorial limits, except for the enforcement of a judgement obtained from a court within the territorial limits with our prior approval against a defendant who resides outside the jurisdiction of the court making the order.

### **Costs we will not pay**

We will not pay for:

- travelling expenses or compensation for being off work;
- legal costs if the insured person withdraws from legal proceedings without our agreement;
- legal costs which are covered under a more specific insurance or if a claim has been refused by another insurance company;
- legal costs where fixed recoverable costs have already been recovered by the solicitor.

## **Your motor legal expenses: Conditions**

### **Making a claim**

To make a claim, the insured person can write to us at:

The Claims Department,  
Lawshield UK Limited, 1210 Centre Park  
Square, Lakeside Drive, Centre Park,  
Warrington, WA1 1RU

Telephone: 0333 043 3787

Fax: 0333 043 3798

Email: [claims@lawshield-uk.com](mailto:claims@lawshield-uk.com)

The insured person should not send us any documents until our administrators, Lawshield UK Ltd, ask for them.

If we decide that a reasonable settlement is unlikely, or the insured person's interest would be better served by another course of action, we will let them know.

We will not pay for any legal costs until we have accepted the claim in writing.

### **Representation**

We can take over, and carry out in the insured person's name action to take or defend any claim.

### **Appointing a solicitor**

Before the issuing of legal proceedings, a solicitor from our panel will be appointed to act on the insured person's behalf to prosecute, defend or settle any claim accepted under the terms of this section.

If the insured person does not accept any solicitor we appoint, we will ask the Law Society to name another solicitor who we both agree to. During this time, we may appoint a solicitor to act on the insured person's behalf, to protect their interests.

### **Choosing your solicitor**

Should legal proceedings need to be issued, the insured person does not have to accept the solicitor we have chosen. If the insured person cannot agree a suitable solicitor with us, the insured person can refer their choice of solicitor to arbitration in line with the conditions of this section.

The insured person must let us know in writing the full name and address of a solicitor who they want to act for them. If there is a dispute about the choice of solicitor, we will choose one while arbitration takes place. If we are insuring two or more people for one claim, the insured person may choose solicitors and send their name and address to us before we agree to pay any legal costs.

In choosing their solicitor, the insured person must try to keep the costs of any legal proceedings as low as possible.

Before we accept the insured person's choice of a solicitor, or if the insured person fails to choose a solicitor, we will be entitled to instruct a solicitor on their behalf.

## **Specific conditions**

### **Tell us in writing**

When a claim or possible claim happens, the insured person must tell us in writing as soon as possible.

### **Give us full information**

The insured person must give us any information and evidence we need (the insured person will have to pay any costs involved in this). The insured person must not do anything to affect their case.

### **Tell us about any other insurance**

The insured person must tell us about any other legal expense insurance which they have to cover the same loss.

### **We control legal proceedings**

We will have complete control over the legal proceedings. Legal costs payable are to be in no way affected by any agreement, undertaking or promise made or given by the insured person to the solicitor, witness expert or any claims adjuster.

### **Co-operating with us**

The insured person must co-operate fully with us, the claims adjuster or the solicitor.

We shall have direct access to the solicitor at all times and the insured person must keep us fully informed of all material developments during their claim. If we ask the insured person must instruct the solicitor to produce to us any documents, information or advice in their

possession and the insured person must give the solicitor any other instructions relating to the conduct of their claim as we may require.

### **Our written consent**

Our written consent must be obtained prior to:

- the instruction of Counsel to appear before a Court (or tribunal) before which a solicitor has a right of audience;
- the instruction of Queen's Counsel;
- the incurring of unusual expert's fees or unusual disbursements;
- the making of an Appeal.

### **Settlement**

The insured person or the solicitor must inform us immediately in writing of any Part 36 offer under the Civil Procedure Rules made with a view to settling the claim. No agreement is to be made to settle the claim on the basis of both sides paying their own costs without our prior approval.

If the insured person or the solicitor fail to tell us of any Part 36 offer, then the insured person will be responsible to us for an amount equal to the detriment we have suffered as a result of the insured persons failure to comply with this obligation, and we may deduct this amount from any payment we make under this section.

If the insured person does not accept a Part 36 offer and the insured person does not subsequently achieve a higher award of compensation then we will not pay any further legal costs or opponent's costs unless we were notified of the Part 36 offer and agreed to continue the proceedings.

We will not unreasonably withhold our agreement to continue proceedings however we will have the right to ask the insured person to instruct the solicitor to obtain counsel's opinion on the merits of the claim, defence, any Part 36 offer made by an opponent or proposed by the insured person, or whether there are grounds for continuing the proceedings before we agree to continue with the insured person's claim.

### **Solicitor's fees**

At our request the insured person will require the solicitor to have the legal costs taxed, assessed or audited by the relevant authority.

### **If your solicitor withdraws**

If for any reason the solicitor refuses to continue to act for the insured person or if the insured person withdraws their claim from the solicitor, we will not pay any further legal costs unless we agree to the appointment of an alternative solicitor to continue with the claim in accordance with the terms and conditions of this policy, but we shall have no liability to meet the additional legal costs arising solely as a result of the appointment of a new solicitor.

If the insured person withdraws

If the insured person unreasonably withdraws from a claim without our prior agreement, then the legal costs will become their responsibility and we will be entitled to be reimbursed by the insured person for any costs paid or incurred during the course of the claim. This includes any legal costs that we consider the insured person is obliged to pay solely because they withdrew from the claim.

### **Valid insurance**

Valid insurance for the insured vehicle relating to the insured person must have been in force at the time of any insured incident and the premium for such motor vehicle insurance as demanded must have been paid in full.

### **Appeals**

This insurance does not cover an Appeal unless we are notified in writing by the insured person no later than six working days before the time for making an Appeal expires and we consider that there are prospects of success of such an Appeal succeeding.

### **Recovery**

The insured person shall take or have taken every available step to recover from their opponent legal costs payable under this section, and such legal costs must be paid to us.

### **Arbitration – proceedings**

If there is a disagreement over presentation, acceptance, rejection, control or discontinuance of any claims or representation at proceedings, then at the insured person's written request, any such difference shall be decided by Counsel or a solicitor who both the insured person and we agree to, and in the absence of agreement, they will be appointed by the President of the relevant Law Society of England or Wales or the President of the Law Society of Scotland, as appropriate. Both parties shall present such information relevant to their differences to Counsel or the solicitor as they shall require and their decision shall be final and binding upon them. All costs of resolving the differences shall be met in full by the party against whom the decision is made, or as may be determined by the arbitrator.

### **Arbitration – claims**

If there is a disagreement over the amount we owe the insured person, we will pass the matter to an arbitrator who both the insured person and we agree to. When this happens, the arbitrator must make a decision before the insured person can start proceedings against us.

**Contribution**

If the insured person has other insurance against liability or loss covered by this policy, we will not be liable for a greater proportion of such liability or loss than the applicable limit of liability bears to the total applicable limit of liability of all collectible insurance against such liability or loss.

**Subrogation**

We may at our own expense take proceedings in the insured person's name to recover compensation or secure an indemnity from any third party in respect of any expenses paid under this policy and any amount so recovered or secured shall belong to us.
