

Aviva Survivor Trust (protection)

The Aviva Survivor Trust is provided for use with Aviva protection policies and is for use with joint life first death contracts. Policyholder(s) can retain any terminal illness, critical illness, total permanent disability and mortgage payment protection benefits.

Important: Once a trust has been fully executed, you can't simply cancel it. Creating a trust has taxation as well as legal implications. Because of this, we always strongly recommend you take legal and/or financial advice before setting one up. If you have any concerns over whether or not these actions are right for your circumstances, please discuss this with your legal or financial adviser before proceeding.

This trust is not suitable for use with Aviva's critical illness only policies.

Important notes:

We recommend that you seek your own professional advice before making use of this trust. This is important for a number of reasons:

- **Creating a trust can have legal as well as taxation consequences.**
- **Once the trust has been created it cannot be revoked.**
- **The Trustees have a special duty to the Beneficiaries and the misuse of a Trust power by a Trustee can make him/her personally liable for any resulting loss to the Beneficiary.**

Any references to tax treatment for the Survivor Trust are based on Aviva's understanding of legislation and HM Revenue & Custom's practice (HMRC) at the time of publication. Both of these are likely to change in the future, and a liability to tax may arise under an existing arrangement. Every care has been taken as to accuracy, but it must be appreciated that Aviva's interpretation may be subject to challenge by HMRC or other regulatory bodies and neither Aviva nor its representatives can accept responsibility for loss, however caused, suffered by any person who has acted or refrained from acting as a result of material published.

Your personal information

We collect and use your personal information as part of this trust process. If you would like more information about how we use and process personal information and your rights in relation to it, you can find further detail in our full privacy policy at aviva.co.uk/privacy-policy or request a copy by writing to us at Aviva, Freepost, Mailing Exclusion Team, Unit 5, Wanlip Road Ind Est, Syston, Leicester, LE7 1PD.

Under Aviva's trust those people creating the trust, the settlors, are automatically appointed as a trustee. We will continue to recognise any financial adviser associated with the policy following the trust coming into force.

For any other trusts submitted to Aviva, where original policyholders are not appointed as trustees, we will assume that there is no financial adviser acting in relation to the policy, unless we receive confirmation from all trustees that either the original financial adviser is retained, or a new financial adviser has been appointed.

This will also apply to any further appointments or retirement of trustees made.

How to complete the Survivor Trust deed:

These instruction notes are for guidance only and don't form part of the trust deed.

If you've not completed this trust online, please use the handy submission checklist on the last page to ensure you've completed the trust deed correctly.

The use of a capital letter at the beginning of a word (or words) may mean that the particular word in question is a defined term. You can find defined terms within the definitions section in Part E.

Please complete the Trust Deed in black ink and use block capitals (except for signatures) and always give full names (i.e. include middle names).

For more information, please read our guide [Aviva protection trusts and inheritance tax](#).

Part A

1. Insert the date on which the deed is completed (i.e. the last person, either Settlor or Trustee, signs the document). Do **not** backdate or forward-date this Deed.
2. The Settlers should insert their full names and addresses under 'Settlor 1' and 'Settlor 2'. By Settlor, we mean policyholder. This is likely to be you.
We will class the first or only Settlor as the lead Trustee and we will communicate with them. It is the lead Trustee's responsibility to keep the other Trustees informed.
3. The full name and address of any additional Trustee(s) being appointed should be included. You are automatically a Trustee so you don't have to include your own name again. We strongly recommend that at least one additional Trustee is appointed. The Trustees are responsible for administering the trust (i.e. they are legally bound to make sure your money is looked after then distributed to your nominated Beneficiaries). We will class the first or only Settlor as the lead Trustee and we will communicate with them. It is the lead Trustee's responsibility to keep the other Trustees informed.

Part C Schedule

1. Insert the policy number in Part C. If you want this Trust deed to apply to multiple policies, please detail all of the policy numbers. For additional space, please use the 'Additional policies' box.
2. By entering your additional policy number(s), you are also assigning this policy or these policies to be held in trust. This action isn't reversible and your other policies will also be subject to the terms of this trust deed.
If you have any concerns over whether or not such actions are right for your circumstances, please discuss this with your professional adviser before proceeding.

Part D Principal trust terms

1. Tick the box if you **DO NOT** want to benefit from any terminal illness claim proceeds. In this case, these proceeds will be held by the Trustees for the Beneficiaries, and also the Settlor in the manner set out in D(5).
2. Tick the box if you **DO NOT** want to benefit from any critical illness claim proceeds. In this case, these proceeds will be held by the Trustees for the Beneficiaries. Critical illness claim proceeds will include any additional benefits under critical illness cover, e.g. partial payments and children's critical illness. You should refer to your product terms and conditions for further information.
3. Tick the box if you **DO NOT** want to benefit from any total permanent disability claim proceeds. In this case, these proceeds will be held by the Trustees for the Beneficiaries.
4. Tick the box if you **DO NOT** want to benefit from any mortgage payment protection claim proceeds. In this case, these proceeds will be held by the Trustees for the Beneficiaries.
5. This means that the death benefit (and any other benefits included on the policy which the Settlor hasn't elected to retain) will go to the surviving life covered/policyholder if he survives the first to die by 31 days. If both die within 31 days of each other than the death benefit will go to the Default Beneficiaries. However, because the trust is flexible the Beneficiaries can be changed.

IMPORTANT – You must complete Box A.

The full names of each Default Beneficiary who is to benefit from the Trust, and the % share each is to receive, should be inserted in Box A. Where a % share is given, the shares must total 100%. These Default Beneficiaries will only benefit from capital if no other appointment is made in favour of other Potential Beneficiaries before the Vesting Day. Names of Default Beneficiaries only should be inserted rather than a description of classes of Beneficiaries.

Part E Definitions

1. The Potential Beneficiaries sets out who can be added to the Beneficiaries under the trust, should you choose to alter those initially set out in Box A. Please note that you can't make an appointment in favour of yourselves, so careful consideration should be given before changing the Beneficiaries. The Potential Beneficiaries will not benefit from the capital under the Trust unless they are actually appointed by deed.

Part G Signatures

1. Each policyholder in Part A should sign this page. Their signature must be witnessed by an independent Person over 18 years of age who is not a party to the Trust (i.e. not a Settlor or Trustee).
2. Each additional Trustee being appointed should sign this page to confirm acceptance of their appointment as trustee. Their signature must be witnessed by an independent Person over 18 years of age who is not a party to the Trust (i.e. not a settlor or trustee).
