

Aviva Cash Fund

A safe haven for
your cash

Are you worried about market uncertainty and unsure when may be the best time to invest?

Then the Aviva Cash Fund may be the right place for your money.

Reasons to Invest

- › The Fund's return is linked to the Euro Short Term Rate. The gross overnight yield was 2.13% as at 28 April 2026¹.
- › The Aviva Cash Fund offers a diversified portfolio of highly-rated cash instruments.
- › Aviva's great range of funds is available to switch into at any time².
- › The Fund can be used on a stand-alone basis or as part of a diversified portfolio.

Suitable for you if you're seeking:

- › Access to a fund where you can transfer some or all of your money to another fund at any time².
- › A stepping stone to markets where you intend to invest at some stage but are worried about the impact of market volatility, right now.

Product availability

This fund is available across our savings, investments, pension and post-retirement products at our standard annual management charges.
