Section 1 (a): Pension Portfolio *continued*

If you die before you've taken all your benefits from your Pension Portfolio, they may be payable to someone else. Either you or your adviser can set this up. You can view and amend these details using MyAviva when required. MyAviva is our online service which enables you to view your product portfolio(s). You'll need to register for

MyAviva. Your adviser can give you more information on this. We recommend that you regularly review your nomination in light of any changes in personal circumstances. That is particularly important if a nominee dies before you, or if your relationship with the nominee changes.

Section 1 (b): ISA Portfolio

- I authorise Aviva Wrap UK Ltd to hold my cash subscription, ISA investments, interest, dividends and any other rights or proceeds in respect of those investments and any other cash.

I'll inform the Plan Manager if I cease to be so resident or to perform such duties or to be married to or in a civil partnership with a person who performs such duties.
- All subscriptions made, and to be made, belong to me.
- I haven't subscribed and will not subscribe more than the overall subscription limit in total to any combination of permitted ISAs in the same tax year.
- I authorise the Plan Manager to make on my behalf any claims to relief from tax in respect of ISA investments.

Section 2: Financial crime

To verify your identity and prevent financial crime, your information may be used by any company within the Aviva group. It may also be shared with third parties who provide services to us, and any other organisations, where required to by law and regulation.

We may record any searches carried out. These, and any suspicion of financial crime, may be used to help other companies with verification and identification. The search isn't a credit check and your credit rating shouldn't be affected.

Section 3: Tax residency

Tax regulations require us to collect certain information about each policyholder's tax status. In certain circumstances, we'll be obliged to share this information with HM Revenue & Customs (HMRC).

Your tax residence is generally the country in which you live for more than half a year. Special circumstances (such as studying, working overseas or extended travel) may cause you to be resident elsewhere or resident in more than one country at the same time.

The country/countries in which you are liable to pay income tax is/are likely to be your country/countries of tax residence.

If you are tax resident in a territory other than the UK (note that for tax purposes UK means England, Northern Ireland, Scotland & Wales), we'll report the information to HMRC and they may transfer that information to the government of that other territory in accordance with the relevant agreement.

The information is as follows:

- Your name, address, jurisdiction of tax residence, Tax Identification Number and date of birth.
- Your account/policy number and that the account/policy is with Aviva.
- The balance or value of your account/policy at the end of the year or at the date it was closed.
- The gross amount of interest, dividends, proceeds from sale or redemption or other amounts paid or credited to you or your account/policy during the year.

In accordance with those agreements, UK government will also begin to receive information from governments of other territories about non-UK accounts held by UK tax residents. If you've any questions about your tax residency status, please talk to your financial adviser.

Section 4: Adviser charge agreement

1. Payment of adviser charges

- 1.1 We'll pay to your financial adviser the adviser charge in accordance with this agreement or as otherwise directed by you and your financial adviser.
- 1.2 The adviser charge that you've agreed to pay your financial adviser is a matter between you and your financial adviser. When we pay an adviser charge to your financial adviser, this is a payment we're making because you've asked us to do so and on your behalf. We don't assess the suitability or amount of the adviser charge you've agreed to pay.
- 1.3 If you've any queries about your adviser charge, including whether you are entitled to a refund, you should ask your financial adviser.
- 1.4 If, subject to the terms of this agreement, an adviser charge is stopped, not paid or is re-credited to your product portfolio, you may remain liable to reimburse your financial adviser. You should check the terms of your arrangement with your financial adviser.
- 1.5 The payment of an adviser charge is separate to any charges that you may be required to pay Aviva in respect of your product portfolio(s).
- 1.6 We'll only pay an adviser charge to your financial adviser's firm account or as otherwise directed by your financial adviser.
- 1.7 Once we have received your instruction to pay an adviser charge, we will not be able to stop the payment if you subsequently ask us to do so.
- 1.8 We'll tell your financial adviser if you instruct us to alter or stop the payment of any adviser charges.
- 1.9 Where there is insufficient cash to cover the payment of either an ongoing charge or spread initial adviser charge, we reserve the right to sell investments to cover these charges. You can find further information about this in your product portfolio(s) terms and conditions.

2. Calculation of your adviser charge

- 2.1 Initial adviser charge – we'll deduct the amount which you've agreed with your financial adviser to cover the cost of any initial advice from your payment(s) before we invest them.
- 2.2 The spread initial adviser charge on regular contributions is taken for a set period of time. It is taken either monthly, quarterly, half-yearly or annually, as agreed by you with your adviser.
- 2.3 Ongoing adviser charge – we will deduct the amount which you've agreed with your financial adviser to cover the cost of any ongoing advice from your product portfolio(s). If the amount you've agreed is a percentage of your product portfolio(s) then this will be calculated based on the daily value of your product portfolio(s) on the date the calculation is carried out, this means the amount of ongoing adviser charge deducted will vary.

3. Cancelling product portfolio(s)

- 3.1 If you decide to cancel any of your product portfolio(s) within the cancellation period we'll still pay the initial adviser charge to your adviser.

4. Change in financial adviser

- 4.1 You should let us know as soon as possible if you change your financial adviser. If you change your financial adviser, we'll stop paying further adviser charges to that adviser. If you change your financial adviser and you wish to pay adviser charges to a new financial adviser, you'll need to complete a new adviser charge agreement.
- 4.2 If your financial adviser tells us that it has transferred its business to another authorised firm which will take responsibility for providing you with ongoing service, we will transfer all future adviser charges to the new firm.
- 4.3 On a change of financial adviser, we may provide details of the adviser charges paid under this agreement to your new financial adviser to the extent required to enable your new financial adviser to provide you with advice and services in connection with your product portfolio(s) and entering into this agreement is your consent to allow us to do so.

5. Termination of this agreement

- 5.1 You can terminate this agreement at any time by giving us 30 days' notice. We'll then cancel the adviser charge agreement at the next available opportunity. You don't have to give us any reason why you are terminating the agreement and we will not charge you for doing so.

6. Keeping you informed

- 6.1 We'll provide you with written confirmation when we set up the arrangements to pay the adviser charges you've instructed us to pay to your financial adviser. We'll ask you to check the information that we provide to you. You'll need to contact your adviser if you believe there are any errors.
- 6.2 We'll also provide you with a statement every three months which will set out all of the adviser charges paid over this period.

7. Miscellaneous

- 7.1 This agreement does not give any rights to any person other than you and us. No other person shall have any rights under the Contracts (Rights of Third Parties) Act 1999 to rely on any terms under this agreement.
- 7.2 This agreement is to be governed by and interpreted in accordance with the laws of England. The courts of England will have jurisdiction over any dispute arising from this agreement.
