- 2.4 The Policies have been written by or on behalf of, or transferred to, the Transferor.
- 2.5 It is proposed that, subject to the sanction of the Scheme by the Court, the whole of the Transferring Business carried on by the Transferor shall, in accordance with this Scheme, be transferred to the Transferee.
- 2.6 In connection with the Scheme and to secure that it is fully and effectively carried out, it is further proposed that transfers from members of the Transferor Group to members of the Transferee Group (other than transfers between the Transferor and the Transferee) are effected under section 112(1)(d) of FSMA in accordance with the terms of the Scheme, including but not limited to transfers of the Transferring Contracts, the Properties, the HR Records and the Intangible Assets.
- 2.7 Accordingly, it is further proposed that:
- (A) an Order be made for the sanction of this Scheme in accordance with the provisions of section 111(1) and 112 of FSMA, for the transfer of the Transferring Business to the Relevant Transferee; and
 - (B) by such Order, provision be made for the transfer of the Transferring Business from the Relevant Transferor to the Relevant Transferee in accordance with the terms of this Scheme.

PART C – TRANSFER**3. TRANSFER OF THE TRANSFERRING BUSINESS**

- 3.1 Each part of the Transferring Business shall, by the Order, be transferred to and be vested in the Relevant Transferee in accordance with this Scheme, so that:
- (A) at and with effect from the Effective Date, each Day One Asset and all the interest of the Relevant Transferor in it shall, by the Order and without any further act or instrument, be transferred to and be vested in the Relevant Transferee, subject to all applicable Encumbrances affecting such property and shall cease to be the property of the Relevant Transferor;
 - (B) at and with effect from the Effective Date, each Day One Liability shall, by the Order and without any further act or instrument, be transferred to and become a Liability of the Relevant Transferee and shall cease to be a Liability of the Relevant Transferor;
 - (C) on and with effect from each Subsequent Transfer Date, each Residual Asset to which such Subsequent Transfer Date applies and all the interest of the Relevant Transferor in it shall, by the Order and without any further act or instrument, be transferred to and be vested in the Relevant Transferee, subject to all applicable Encumbrances affecting such property and shall cease to be the property of the Relevant Transferor; and

- 3.2 The Relevant Transferee shall accept without investigation or requisition such title as the Relevant Transferor shall have at the Effective Date to the Day One Assets and, at any Subsequent Transfer Date, to each Residual Asset then transferred. The Relevant Transferor shall not be liable for any charges, expenses, costs, claims, losses or any other Liabilities in connection with any Day One Asset or Residual Asset that arise after the Effective Date, save as otherwise agreed between the parties in writing (including under any existing agreement between the Relevant Transferor and the Relevant Transferee) or as set out in this Scheme.
- 3.3 The Relevant Transferor and the Relevant Transferee shall take all such steps and execute all such documents as may be necessary or desirable:
- (A) to effect or perfect the transfer to and vesting in the Relevant Transferee of any Transferring Asset pursuant to this Scheme; and
 - (B) to effect or perfect the transfer to and assumption by the Relevant Transferee of any Transferring Liability pursuant to this Scheme.
- 3.4 For the avoidance of doubt, and without prejudice to the generality of paragraph 3.1:
- (A) an offer or invitation to treat made to or by the Relevant Transferor prior to the Effective Date in relation to the Transferring Business shall be construed and have effect after

the Effective Date as an offer or invitation to treat made to or by the Relevant Transferee;

- (B) any existing indemnity, power of attorney, authority, declaration or consent given to or by the Relevant Transferor relating to any part of the Transferring Business (including, for the avoidance of doubt, the Transferring Policies) shall have effect from the Effective Date as if given to or by the Relevant Transferee;
- (C) any Transferring Asset which was held by the Relevant Transferor (whether alone or jointly with others) as a trustee, custodian or in a similar fiduciary capacity shall, with effect from the Effective Date (or relevant Subsequent Transfer Date, as the case may be), be held by the Relevant Transferee (alone or jointly as the case may be, and in the capacity of a trustee, custodian or in a similar fiduciary capacity, as the case may be) subject to the rights, powers and duties previously applicable to the relevant trust, custodian or other fiduciary arrangement in question;
- (D) any security in respect of the Transferring Business held immediately prior to the Effective Date by the Relevant Transferor, or by a nominee or agent for the Relevant Transferor, as security for the payment or discharge of any liability shall, on and from that day be held by the Relevant Transferee (or by that nominee, agent or trustee for the Relevant Transferee, as the case may be) and be available to the Relevant Transferee (whether for its own benefit or for the benefit of any other person) as security for the payment or discharge of that liability; and
- (E) the Relevant Transferee shall be entitled to rely on and enforce any consent, waiver, representation, statement or estoppel given or made to the Relevant Transferor by a person in relation to the Transferring Business prior to the Effective Date as though such consent, waiver, representation, statement or estoppel had been given or made to the Relevant Transferee and to the same extent that the Relevant Transferor would have been able to rely on or enforce the same.

3.5 On and with effect from the Effective Date:

- (A) to the extent not already provided to the Transferee prior to the Effective Date, the Transferor shall take all reasonable steps to enable the Transferring Personal Data to be disclosed or otherwise made available to the Transferee;
- (B) the Transferee shall succeed to any rights, benefits, Liabilities and obligations of the Transferor in respect of any Transferring Personal Data which is subject to applicable DP Legislation;
- (C) the Transferee shall become the controller in place of the Transferor of any Transferring Personal Data;
- (D) in respect of any Transferring Personal Data, the Transferee shall be under the same duty by virtue of any law as the Transferor was under to respect the confidentiality and privacy of any data subject in relation to that data;

- (E) any information made available to, or consent obtained or request or other notice received from, any data subject by, or on behalf of, the Transferor in respect of the Transferring Personal Data shall be deemed to have been made available, obtained or received by the Transferee; and
 - (F) in any information, consent, notice or request given by or to a data subject in respect of the Transferring Personal Data, any reference to the Transferor (or to the Transferor's Group) shall be deemed to include a reference to the Transferee (or to the Transferee's Group).
- 3.6 As between the Transferor and Transferee, where a data subject has made a Data Subject Request to the Transferor before the Effective Date and the Transferor has not responded in accordance with the DP Legislation before the Effective Date the Transferee may respond to the request, in accordance with the DP Legislation, including by providing copies of personal data held by the Transferor immediately before the Effective Date and in respect of which the Transferee is now the data controller.
- 3.7 Subject to paragraph 3.8, on and with effect from the Effective Date:
- (A) the Transferee shall have the benefit in respect of any Marketing Preferences provided to the Transferor or any member of the Transferor's Group (to the extent the Transferor has reliance on such Marketing Preferences) which relate to the Transferring Business; and
 - (B) the Transferor shall cease to have the benefit of such Marketing Preferences.
- 3.8 Where, as at the Effective Date, both the Transferor and the Transferee hold Marketing Preferences in respect of the same data subject then on and with effect from the Effective Date:
- (A) the Transferee shall have the benefit of any Marketing Consent held by the Transferor as at the Effective Date notwithstanding any contrary Marketing Preference already held by the Transferee; and
 - (B) the Transferee shall continue to have the benefit of any Marketing Consent held by the Transferee immediately prior to the Effective Date notwithstanding any contrary Marketing Preference transferred to it under this Scheme.

4. CONTINUITY OF PROCEEDINGS

- 4.1 On and with effect from the Effective Date, any Proceedings continued, commenced by or against the Relevant Transferor (including future Proceedings not yet in contemplation which the Relevant Transferor would have been a party to but for this Scheme) in connection with the Day One Business shall be continued or commenced by or against the Relevant Transferee, and the Relevant Transferee shall be entitled to all defences, claims, counterclaims and rights of set-off that would have been available to the Relevant Transferor in relation to the Day One Business and such proceedings, and the Relevant Transferor shall have no liability under those proceedings.

- 4.2 On and with effect from the Subsequent Transfer Date applicable thereto, any Proceedings continued or commenced by or against the Relevant Transferor (including future Proceedings not yet in contemplation which the Relevant Transferor would have been a party to but for this Scheme) in connection with the Residual Business shall be continued or commenced by or against the Relevant Transferee, and the Relevant Transferee shall be entitled to all defences, claims, counterclaims and rights of set-off that would have been available to the Relevant Transferor in relation to the Residual Business and such proceedings, and the Relevant Transferor shall have no liability under those proceedings.
- 4.3 Any judgment, settlement, order or award obtained by or against the Relevant Transferor whether before or after the Effective Date to the extent that it relates to the Transferring Business and which is not fully satisfied before the Effective Date shall, on that date and to the extent to which it was enforceable by or against the Relevant Transferor immediately prior to such date (or, if later, the date on which the judgment, settlement, or award is obtained), become enforceable by or against the Relevant Transferee (to the exclusion of the Relevant Transferor).
- 4.4 Any judgment, settlement, order or award obtained by or against the Relevant Transferor whether before or after the Subsequent Transfer Date to the extent that it relates to the Residual Business and which is not fully satisfied before the Subsequent Transfer Date shall, on that date and to the extent to which it was enforceable by or against the Relevant Transferor immediately prior to such date (or, if later, the date on which the judgment, settlement, or award is obtained), become enforceable by or against the Relevant Transferee (to the exclusion of the Relevant Transferor).
- 4.5 All documents which would before the Effective Date have been evidence in respect of any matter for or against the Relevant Transferor shall from the Effective Date be evidence in respect of the same matter for or against the Relevant Transferee.
- 4.6 All documents which would before the Subsequent Transfer Date have been evidence in respect of any matter for or against the Relevant Transferor shall from the Subsequent Transfer Date be evidence in respect of the same matter for or against the Relevant Transferee.
- 4.7 At and from the Effective Date, the Transferee shall owe to the holders of Day One Policies and/or to any other relevant person(s) the same duties of confidentiality and privacy (whether pursuant to Regulatory Requirements or contract) as those which the Transferor owed in respect of the Transferring Business immediately prior to the Effective Date.
- 4.8 At and from each Subsequent Transfer Date, the Transferee shall owe to the holders of Residual Policies the same duties of confidentiality and privacy (whether pursuant to Regulatory Requirements or contract) as those which the Transferor owed in respect of the Transferring Business immediately prior to the Effective Date.
- 4.9 At and from the Effective Date, all references to the Transferor in any Periodical Payment Order (or relevant part thereof) to the extent that it relates to any part of the Day One Business shall be read and construed as if referring to the Transferee, so that such references shall take effect as if the Transferee were the original party to the Periodical Payment Order (or relevant part thereof) in place of the Transferor, and any liability of the Transferor in respect of any such Periodical Payment Order (or relevant part thereof) shall become a liability of the Transferee and shall cease to be a liability of the Relevant Transferor.

- 4.10 At and from the Subsequent Transfer Date applicable thereto, all references to the Transferor in any Periodical Payment Order (or relevant part thereof) to the extent that it relates to any part of the Residual Business shall be read and construed as referring to the Transferee, so that such references shall take effect as if the Transferee were the original party to the Periodical Payment Order (or relevant part thereof) in place of the Relevant Transferor, and any liability of the Transferor in respect of any such Periodical Payment Order (or relevant part thereof) shall become a liability of the Transferee and shall cease to be a liability of the Transferor.

5. TREATMENT OF TRANSFERRING POLICIES

- 5.1 At and with effect from the Effective Date, the Transferee shall become entitled to all rights, benefits and powers, and subject to all Liabilities, under or related to the Day One Policies, and the Transferor shall cease to be entitled to such rights, benefits and powers or subject to such Liabilities.

- 5.2 Any person who is a policyholder of any Day One Policies shall at and with effect from the Effective Date become entitled, in succession to, and to the exclusion of, any rights which he may have had against the Transferor under any of the Day One Policies to the same rights against the Transferee subject to the terms of this Scheme as were available to him against the Transferor under such Policies and (as regards Day One Policies under which premiums or other sums attributable or referable thereto continue to be payable) shall at and with effect from the Effective Date account to the Transferee for any further or additional premiums or other sums attributable or referable thereto as and when the same become due and payable.

- 5.3 If any person exercises any right or option which is granted at law or under the terms of a Day One Policy and either:

(A) the right or option provides for a new, additional or replacement policy to be issued; or

(B) it is appropriate, in the opinion of the Transferee, to issue a new policy in order to comply with that right or option,

such person shall be entitled to require that the obligation thereby arising shall be satisfied by the issue by the Transferee of a policy which complies with the terms of such right or option. However (without prejudice to the right of such person to have the right or option satisfied by the issue by the Transferee of such a policy) if the Transferee is not at the time of the exercise of such right or option writing policies complying exactly with the policy to which the right or option refers, the Transferee shall be entitled to offer such person as an alternative (and, if accepted, in lieu thereof) a policy commonly offered by the Transferee (or any other member of the Transferee's Group) which the Transferee considers to be the nearest equivalent policy by reference to the terms and conditions applicable to policies of the Transferee at that time.

- 5.4 All references in any Day One Policy to the Transferor, or the directors, any officers or employees or agents of the Transferor shall from and after the Effective Date be read as references to the Transferee, or the directors, any officers or employees or agents of any member of the Transferee (as applicable). In particular, but without limitation, all rights and duties exercisable or expressed to be exercisable or responsibilities to be performed by the Transferor, or the directors, any officers or employees or agents of the Transferor in relation to any of the Day One Policies, from and after the Effective Date, be exercisable or required to be

performed by the Transferee, or the directors, any officers or employees or agents of the Transferee.

- 5.5 The transfer of any rights, benefits, liabilities and obligations under or in connection with any Day One Policy pursuant to this Scheme shall take effect and shall be valid and binding on all parties having any interest in the same notwithstanding any restriction howsoever arising (including at law, in equity, tort, delict or by contract) on transferring, assigning or otherwise dealing with the same and such transfer shall be deemed to take effect on the basis that it does not contravene any such restriction and does not give rise to any right to terminate, modify, acquire or claim an interest or right, or to treat an interest or right as terminated or modified or to treat any obligations or Liabilities as discharged, modified or released.
- 5.6 The Transferee shall be entitled to any defences, claims, counterclaims, rights of set-off and rights of subrogation under the Day One Policies which would have been available to the Transferor.
- 5.7 The provisions of paragraphs 5.1 to 5.6 inclusive shall also apply *mutatis mutandis* to all Residual Policies (with references to the Effective Date amended to the relevant Subsequent Transfer Date).

6. TREATMENT OF TRANSFERRING CONTRACTS

- 6.1 At and with effect from the Effective Date, the Relevant Transferee shall become entitled to all rights, benefits and powers, and subject to all Liabilities, under or related to the Day One Contracts, and the Relevant Transferor shall cease to be entitled to such rights, benefits and powers or subject to such Liabilities.
- 6.2 Any person who is a counterparty of a Day One Contract shall at and with effect from the Effective Date (but subject to the terms of the Scheme) become entitled, in succession to, and to the exclusion of, any rights which he may have had against the Relevant Transferor under a Day One Contract to the same rights against the Relevant Transferee as were available to him against the Relevant Transferor under such Day One Contract.
- 6.3 All references in any Day One Contract to the Relevant Transferor, or the directors, any officers or employees or agents of any member of the Relevant Transferor shall from and after the Effective Date be read as references to the Relevant Transferee, or the directors, any officers or employees or agents of the Relevant Transferee (as appropriate). In particular, but without limitation, all rights and duties exercisable or expressed to be exercisable or responsibilities to be performed by the Relevant Transferor, or the directors, any officers or employees or agents of the Relevant Transferor in relation to any of the Day One Contracts shall, from and after the Effective Date, be exercisable or required to be performed by the Relevant Transferee, or the directors, any officers or employees or agents of the Relevant Transferee.
- 6.4 The transfer of any rights, benefits, liabilities and obligations under or in connection with any Day One Contract pursuant to this Scheme shall take effect and shall be valid and binding on all parties having any interest in the same notwithstanding any restriction howsoever arising (including at law, in equity, tort, delict or by contract) on transferring, assigning or otherwise dealing with the same and such transfer shall be deemed to take effect on the basis that it does not contravene any such restriction and does not give rise to any right to terminate, modify,

acquire or claim an interest or right, or to treat an interest or right as terminated or modified or to treat any obligations or Liabilities as discharged, modified or released.

- 6.5 All references in a Day One Contract to the group of companies of which the Relevant Transferor is or has been a member shall, where the context requires, be (or continue to be) read and construed with effect from the Effective Date as references to the Relevant Transferee's Group from time to time.
- 6.6 The Relevant Transferee shall be entitled to any defences, claims, counterclaims, rights of set-off and rights of subrogation under the Day One Contracts which would have been available to the Relevant Transferor.
- 6.7 The provisions of paragraphs 6.1 to 6.6 inclusive shall also apply *mutatis mutandis* to all Residual Contracts (with references to the Effective Date amended to the relevant Subsequent Transfer Date).

7. REINSURANCE OF RESIDUAL POLICIES

- 7.1 Subject always to applicable Regulatory Requirements, the Transferee shall reinsure the Transferor with effect from and after the Effective Date against all liabilities of the Transferor under, and all other amounts paid or payable by the Transferor in respect of, any Residual Policy (other than the Residual Policies that are Sanctioned Policies) until the applicable Subsequent Transfer Date.
- 7.2 The premium payable by the Transferor to the Transferee in respect of the reinsurance pursuant to paragraph 7.1 shall be deemed to have been satisfied by the transfer of the appropriate Day One Assets attributable to such Residual Policies.
- 7.3 The Transferee shall discharge its reinsurance obligation pursuant to paragraph 7.1 by discharging the liabilities referred to in that paragraph on behalf of the Transferor, or failing that, by indemnifying the Transferor in respect of such liabilities.
- 7.4 The Transferee shall not indemnify the Transferor against, and shall not be obliged to discharge any liability of the Transferor referred to in paragraph 7.1, to the extent that the Transferor is entitled to recover the same from any third party (including under any applicable guarantee, contract of insurance or contract of reinsurance) unless, and only to the extent that, the Transferor has failed to recover, or the Transferee has instructed the Transferor in writing not to attempt to recover, any such amount.

8. TREATMENT OF EXCLUDED ASSETS AND LIABILITIES

The Excluded Assets and Excluded Liabilities shall not be transferred to the Transferee by this Scheme and shall remain those of the Transferor.

9. DECLARATION OF TRUST AND WRONG POCKET

- 9.1 On and with effect from the Effective Date, the Relevant Transferor shall, subject to having obtained any required consent or waiver, hold the Residual Business as trustee and in trust for and on behalf of the Relevant Transferee absolutely, and the Relevant Transferor shall be

subject to the Relevant Transferee's directions, in respect of the Residual Business, until such part of the Residual Business is transferred to or otherwise vested in the Relevant Transferee (or is disposed of, whereupon the Relevant Transferor shall account to the Relevant Transferee for the proceeds of sale thereof). The Relevant Transferee shall have the authority (with authority to sub-delegate) to act as the attorney of the Relevant Transferor in respect of any such Residual Business for all purposes.

- 9.2 In the event of any property being received by the Relevant Transferee after the Effective Date, in respect of the Day One Business, the Relevant Transferee shall, as soon as is reasonably practicable after its receipt and to the extent to which it is able to do so, transfer such property to, or in accordance with the directions of, the Relevant Transferor.
- 9.3 In the event of any property being received by the Relevant Transferor after the Effective Date, in respect of the Residual Business, the Relevant Transferor shall hold such property as trustee for the Relevant Transferee in accordance with paragraph 9.1.
- 9.4 The Relevant Transferee shall indemnify the Relevant Transferor against any reasonable out-of-pocket charges, costs, expenses, claims and other liabilities arising in respect of any obligation under or in connection with this paragraph 9.

10. PREMIUMS, MANDATES AND OTHER PAYMENTS

- 10.1 All premiums payable to the Transferor in respect of the Day One Policies shall at and with effect from the Effective Date be payable to the Transferee.
- 10.2 Save as may otherwise be agreed between the Relevant Transferor and the Relevant Transferee prior to the Effective Date, any mandate or other instruction in force at the Effective Date (including, without limitation, any instruction given to a bank by its customer in the form of a direct debit standing order) and providing for the payment by a bank or other intermediary of premiums payable to the Relevant Transferor under or in respect of any of the Day One Policies or Day One Contracts shall thereafter take effect as if it had provided for and authorised such payment to the Relevant Transferee.
- 10.3 Save as may otherwise be agreed between the Relevant Transferor and the Relevant Transferee prior to the Effective Date, any mandate or other instruction in force at the Effective Date as to the manner of payment of any sum payable by the Relevant Transferor under any of the Day One Policies or Day One Contracts shall, at and with effect from the Effective Date, continue in force as an effective authority to the Relevant Transferee in place of the Relevant Transferor.
- 10.4 The provisions of paragraphs 10.1 to 10.3 inclusive shall also apply *mutatis mutandis* to all Residual Policies and Residual Contracts (with references to the Effective Date amended to the relevant Subsequent Transfer Date).

11. INDEMNITIES

- 11.1 At and with effect from the Effective Date, the Relevant Transferee shall discharge on the Relevant Transferor's behalf or, failing that, shall indemnify the Relevant Transferor against:

- (A) any charges, costs, expenses, claims and other liabilities arising in respect of Transferring Liabilities;
- (B) any charges, costs, expenses and claims arising in respect of any relevant Third Party Rights continued by the Relevant Transferor in accordance with the instructions of the Relevant Transferee (subject to which the Relevant Transferor shall take such steps as the Relevant Transferee shall require in order to pursue such Third Party Rights); and
- (C) any stamp, registration, notarisation, documentary or similar Tax and duty arising in respect of the transfer of the Transferring Business.

11.2 For the avoidance of doubt, the Relevant Transferee shall not be required under paragraph 11.1 to discharge or indemnify the Relevant Transferor for:

- (A) any liability if and to the extent that such liability is the subject of an indemnity from any third party in favour of the Relevant Transferor (including by way of insurance) or a claim or right against any third party which has not transferred to the Relevant Transferee as part of the Transferring Business (a **"Third Party Right"**), unless, and then only to the extent that, the Relevant Transferor shall have failed to recover any such amount pursuant to such Third Party Right;
- (B) any Excluded Liabilities; or
- (C) for any charges, costs, expenses and claims or any other liabilities arising in respect of any Excluded Liabilities.

11.3 Where the Relevant Transferor is entitled to receive an amount pursuant to an indemnity contained in paragraphs 7.3, 9.4 or 11.1, it shall be entitled to receive such amount as, after payment of or provision for any Tax Liability in respect of the amount receivable, will result in the receipt of an amount equal to the value of the liability to be indemnified against.

11.4 The Relevant Transferor shall indemnify the Relevant Transferee against all liabilities, losses, claims and expenses in respect of the Transferring Liabilities:

- (A) to the extent that they are otherwise recoverable by the Relevant Transferor pursuant to a Third Party Right; or
- (B) in connection with any defect (whether in title or otherwise) in relation to, or any diminution in the value of, any property transferred to the Relevant Transferee to the extent that the loss resulting therefrom is recoverable pursuant to a Third Party Right,

provided that the indemnity in this paragraph 11.4 shall be limited to such amounts as the Relevant Transferor shall recover pursuant to such Third Party Right (net of the costs of any such recovery, including as to Tax).

12. JERSEY SCHEME

12.1 In connection with the Scheme, the Jersey Scheme is being effected in Jersey.

- 12.2 If, at or prior to the Effective Date, the Royal Court of Jersey having jurisdiction to approve a transfer of the Jersey Policies to the Transferee has not approved the Jersey Scheme, or the transfers of the Jersey Policies under the Jersey Scheme have not become effective by the Effective Date, such Jersey Policies (constituting Residual Policies) shall be reinsured by the Transferee in accordance with paragraph 7.
- 12.3 The transfer of the Jersey Policies shall not take effect unless and until the Scheme has been sanctioned by the Court.

PART D – MISCELLANEOUS PROVISIONS

13. EFFECTIVE DATE

- 13.1 Subject to paragraph 13.2 below, this Scheme shall become effective at 23:59 hrs (GMT) on 31 December 2026 in accordance with the Order sanctioning this Scheme, or any later time and date, if any, as the Transferor and the Transferee may agree in writing and as the Court may permit.
- 13.2 In the event that the Court imposes any modification of or addition to this Scheme, or any further condition or provision effecting the same, this Scheme shall not become effective on the Effective Date unless each of the Transferor and the Transferee consents to such modification, addition or condition.
- 13.3 This Scheme shall lapse if it does not become effective on or before the later of:
- (A) 23.59 hrs (GMT) on 30 June 2027 (or such other date as the Transferor and the Transferee may agree in writing); and
 - (B) such time and/or date as the Court may allow upon the application of the Transferor and the Transferee.

14. EFFECT OF TRANSFER

The transfer and vesting of the Transferring Business shall not:

- (A) invalidate or discharge any Contract, security or other thing;
- (B) require further registration in respect of any security or charge;
- (C) constitute a breach of, or default under, or require any obligation to be performed sooner or later than would otherwise be the case under, any instrument or contract or arrangement to which the Relevant Transferor is bound;
- (D) entitle any party to a policy, Contract or arrangement to which the Relevant Transferor is a party to vary, amend, disclaim, repudiate or terminate such Contract or arrangement when, in the absence of this transfer, that party would not otherwise be entitled to vary, amend, disclaim, repudiate or terminate it;

- (E) save as provided elsewhere in this Scheme, confer any greater or lesser rights or benefits, or impose any greater or lesser obligations under a contract on any party to such contract to which the Relevant Transferor is a party where such greater or lesser rights, benefits or obligations would not otherwise have been conferred or imposed; or
- (F) affect the enforceability, priority or ranking of any Encumbrance.

15. COSTS AND EXPENSES

Except as may otherwise be agreed in writing, the costs and expenses of each Relevant Transferor and Relevant Transferee in relation to the preparation and carrying into effect of this Scheme shall be borne by the Transferee.

16. VARIATIONS

16.1 Prior to the grant of the Order, the Transferor and the Transferee together may consent for and on behalf of the persons bound by this Scheme, and all other persons concerned (other than the FCA and PRA), to any variation of this Scheme.

16.2 Subject to paragraph 16.3, after the making of the Order any variation of this Scheme must:

- (A) be notified, with at least six weeks' notice, from the date on which the PRA and the FCA acknowledge receipt of notice of the proposed change, in advance of any hearing of the Court at which such application is considered (if applicable), to the PRA and the FCA, who shall have the right to attend and be heard at such hearing of the Court (if applicable);
- (B) be accompanied by a certificate from the independent expert or from an alternative independent expert (in which case, such independent expert to be approved by the PRA, having consulted the FCA) to the effect that, in their opinion, the proposed variation will not materially and adversely affect the security or reasonable expectations of the policyholders of the Transferee or the Transferor;
- (C) be approved by the Court; and
- (D) where such variation is to be made under section 112(1)(d) of FSMA, be required to give full effect to the Scheme.

16.3 Notwithstanding paragraph 16.2, Court approval (and compliance with the other provisions of paragraph 16.2) will not be necessary in relation to any variation of this Scheme which is considered by the Transferee as a variation:

- (A) to correct manifest errors of a minor and/or technical nature;
- (B) required by law or regulation;
- (C) to ensure that the provisions of this Scheme operate in a way which is consistent with the Scheme in circumstances where the provision to which the proposed variation

applies will, or is likely to, be materially affected by a variation or a proposed variation to Regulatory Requirements;

- (D) necessary to reflect any changes in the Transferee's actuarial practices provided that these conform to generally accepted actuarial practices;
- (E) required to protect the rights and reasonable expectations of the policyholders of the Transferee or the Transferor; and
- (F) for which specific provision is made elsewhere in this Scheme (provided that such specific provision is fully complied with),

provided that the PRA and FCA have been notified in writing of the same and have not objected thereto within a period of twenty-eight (28) days commencing from the date of acknowledgement of such notification.

It is not intended that any person other than a Relevant Transferor or Relevant Transferee may enforce any of its terms, whether pursuant to the Contracts (Rights of Third Parties) Act 1999 or otherwise.
