- 4.2 Subject to Clause 4.5 each Member is covered under this Policy up to the Automatic Acceptance Limit on and from the Policy Start Date.
- 4.3 In respect of any Member in respect of whom cover in excess of the Automatic Acceptance Limit is sought We shall be entitled in Our sole discretion to require an Individual Assessment of the Member to enable Us to consider whether to grant the requested excess cover (for the avoidance of doubt, such Member will be covered up to the Automatic Acceptance Limit regardless of the decision made by Us following the Individual Assessment). While the Individual Assessment is being conducted the cover provided will be as set out in Clause 6.
- 4.4 Any Member who was insured under a previous group critical illness policy with the same Policyholder and whose cover was on non-standard terms will have their cover under this Policy limited to match the terms of the cover under the previous policy until such time as We have received satisfactory evidence of previous terms or had the opportunity to conduct an Individual Assessment and advise You of the terms of cover We are prepared to offer for the Member in question.
- 4.5 If, immediately prior to the Policy Start Date, the Members were insured under a group critical illness policy with an identical benefit structure to this Policy and there has been no material change in the number of Members or the Eligibility Conditions, then We will accept the previously insured level of Benefits in respect of each Member, up to the Automatic Acceptance Limit subject to Clause 4.4. Any previously insured level of Benefits in excess of the Automatic Acceptance Limit will be accepted subject to:
- a) You providing satisfactory evidence of the level of cover and the details of any special terms and conditions to Us; and

Examinations, tests or reports may only be arranged or conducted at a centre or provider with prior approval from Us otherwise We will not be liable for any costs and the Member may be required to undertake another set of tests with an approved centre or provider. We will reimburse the Member for the tests We have requested, to a maximum of the amount We would pay for the same test in the United Kingdom. In addition, if the Member is not subject to a loading, exclusion or other non-standard terms, You will receive temporary cover equivalent to the additional cover being sought.
- 6.6 The temporary cover will be in place until the earlier of completion of the Individual Assessment and the expiry of 30 days from the date of receipt by Us of the notice given pursuant to Clause 6.2. The temporary cover is subject to the following:

Pre-existing Insured Illnesses exclusion

18.2 No Benefits will be payable for any Insured Illness or repeat of the same Insured Illness which the Insured Person:

- has received treatment for;
- has sought advice on; or
- was diagnosed with before entry to the Scheme.

The same exclusion applies to any increase in benefit.

18.3 For the purposes of this clause, the illnesses in each group listed below will be deemed to be the same Insured Illness:

Group 1	Group 2	Group 3

18.4 In addition, no Benefit will be payable for any Insured Illness which the Insured Person:

- has received treatment for,
- has sought advice on, or

before entry to the Scheme, and which leads to a claim for coma, loss of independent existence, loss of speech, paralysis of limbs, terminal illness or total permanent disability. For example, where a Member claims under the terminal illness benefit, but had suffered from cancer before entering the Scheme, this claim will be declined.

18.5 The criteria under this Pre-existing Insured Illness exclusion shall also apply to any increase in Benefit. In this case, rather than no Benefit being payable, the exclusion means that no increase in Benefit will be payable, and rather than only applying to Insured Illnesses or a repeat of the same Insured Illness suffered before entry to the Scheme, it also applies to ones suffered before the Benefit increase.

18.6 A Pre-existing Insured Illness exclusion will apply to a Member's Benefits unless we have individually assessed the Member and confirmed the removal of the exclusion in writing. In any event, the Pre-existing Insured Illness exclusion will always apply to a Member's Child, or spouse or civil partner (if they are covered under the Scheme).

Related Medical Conditions

18.7 No Benefits will be paid in respect of any Insured Illness where a Related Medical Condition existed prior to entry to the Scheme unless the Insured Person had neither received any treatment, nor suffered symptoms, nor sought advice for that Related

- 18.10 After the Individual Assessment of either Discretionary Entrants or Members whose Benefits are over the Automatic Acceptance Limit, exclusions may apply for claims arising from certain specified medical conditions or in specified circumstances.

Additional exclusion in relation to children

- 18.11 No Benefit will be paid in respect of a Child if:
- The Child's Insured Illness or any Related Medical Condition was present at birth, or

 - If the Child dies within fourteen days of meeting our definition of the Insured illness.

Excluded Claims

- 18.12 No Benefits will be paid where a claim is made which is, in the opinion of our chief medical officer, either directly or indirectly associated with an earlier claim which has been paid, or the basis of the earlier paid claim is likely to have led to the occurrence of the new Insured Illness. Benefits will not be paid if a Member failed to disclose any material information during the course of the Individual Assessment.

However, the exercise of any of those rights shall not affect the cover provided under the Policy in respect of any other Member.
- 20.2 If there is a fraudulent claim by or in respect of a Member under this Policy, We will inform the Policyholder and the Member that We cancelled the cover in respect of the Member with effect from the time of the fraudulent act and that We will seek to recover any sums paid by Us in respect of the claim.
