# The doctor will see you now

## Digital GP Fast access to advice when you need it

Sometimes, it makes a big difference to your peace of mind if you can speak to a doctor without having to wait for days. That's why Digital GP is available from 8am to 8pm, 7 days a week, to make it easier for you to get an appointment when you need one.

Digital GP is a private doctor service included within Aviva DigiCare+ Workplace to complement existing NHS treatment. It offers prompt access to advice and guidance in non-emergency situations as well as the peace of mind of being able to speak to a doctor quickly with a video appointment, which lasts up to 20 minutes, including wrap up time.

Download the Aviva DigiCare+ Workplace app and you'll be able to access all of these Digital GP benefits:
