Online trust process guide

Business protection
and relevant life

This process guide is to show you how to apply an online business trust to shareholder/partnership and relevant life through the ALPS platform.

Adding business and relevant life trusts to our online process brings the benefit of saving you and your clients time. With this now part of the online application and being completely signature free, you will have no delays in putting policies in force. Pre-population will also help to reduce the risk of errors.

On the select policyholder screen, there is the option to choose the reason for the cover, it is essential **Shareholder/Partnership protection** is chosen to be able to do an online trust. Other forms of business protection do not require a trust so the journey will only offer a trust if **Shareholder/Partnership Protection** is chosen.

2

After inputting the premium payer details, you will get to this screen asking if you want to submit **subject to a trust**. This will also provide you with links to view information for our online trusts and our partner/shareholder trust template.

You will be prompted to issue a policy subject to a trust, by selecting **Yes**. This will give you the option to complete this online.

Review draft trust form

All fields are mandatory unless stated optional

Business Life Insurance Options (Level cover) - for A
£200,000 cover, 20 years

All the information required has now been completed. We've prepared a draft trust based on the information you've provided. Please now take the time to review.

If the draft meets your requirements then we'll save it until we are provided with a start date. If you need to change anything then now is the time to do it.

Once you provide a start date we will regard that as your instruction and confirmation that you wish your policy to be issued subject to that trust. The trust will become active and we'll then issue a copy of it to you and any trustees you appoint. You must keep the trust safe for future reference. If any of the trustees you appoint do not accept their appointment then we'll remove them as trustees and inform you that we have done this. Don't worry, you can still appoint different trustees if you want – just let us know.
