

Step-by-step guide to protection

This guide has been created to help your protection conversations before, during and after your client appointments. Pick and choose from the items available that will help you to have the most productive discussions. If you are short on time, we have marked the key document at each stage with a ★. If you need any of the documents not listed here, you can find them on our **adviser website**.

Stage in the process	To use with your clients		For you	
<p>1 Pre-appointment</p> <p>Email some of the materials to your clients to prime them for their first protection appointment.</p>	<p>What is protection? video ★</p> <p>Send on to your clients and introduce them to what protection is and why it's important.</p>	<p>More than just a roof over your head</p> <p>A video explaining the importance of protection for home owners and renters.</p>	<p>Understanding underwriting</p> <p>Find answers to some of the most commonly asked underwriting questions and understand more about the underwriting process at Aviva.</p> <p>ALPS in focus</p> <p>Make sure you are making the most out of our ALPS system.
