

# Fracture Cover

Available with Life Insurance+, Critical Illness+, Income Protection+ and Living Costs Protection.

Available for an additional cost of £4 per month.

Nobody likes to think about it, but broken bones can mean weeks off work. With our Fracture Cover, you'll receive financial support of up to £6,000 to help tide you over while you recover.

## What's covered?

Here are the 18 different bone fractures that we cover, and how much you'd receive for each injury.

Any fractures classed as fatigue, stress, hairline, avulsion/chips, or microfractures are not covered by this policy, neither are any fractures that happen within the first seven days of taking out a policy.

We won't cover a fracture that happens when taking part in any of the following; mountain biking or BMX; boxing, cage fighting or martial arts; rugby or Gaelic football; horse riding; any form of motor cycle sport or event including practice, competing or track days, or motor cycling off-road, trail riding or green-lane riding.

<sup>1</sup>We define a fracture of the wrist as a fracture of the carpal bones, the distal radius or the distal ulna.

<sup>2</sup>We define a fracture of the ankle as a fracture of the medial, posterior or lateral malleolus.

For more information on Fracture Cover please see your policy conditions.
