### **About the bank:**

Perenna Bank plc is a UK-based bank focused on bringing a new approach to home financing. Incorporated in 2020 and operating under the regulated banking framework, Perenna specialises in offering long-term fixed-rate mortgages, designed to provide customers with certainty, stability and protection from interest-rate fluctuations.

Perenna's model aims to modernise the UK mortgage market by giving customers the ability to secure a single, predictable mortgage rate for the long term, something common in other countries but rare in the UK. Their approach supports better long-term financial planning and helps more people access sustainable homeownership.

Perenna Bank is part of the wider Perenna Group, founded by industry experts who have focused on reshaping mortgage lending in the UK. The organisation has attracted significant investment, reflecting confidence in its innovative and customer-centric mortgage offering.

### **Regulatory Status:**

Perenna Bank PLC is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority under registration number 956138. Perenna Bank PLC is a company registered in England and Wales with company number 13084174. Our registered office is at The Bloomsbury Building, 10 Bloomsbury Way, London, WC1A 2SL.
