Political Violence and Terrorism

Navigating an ever-evolving geopolitical landscape

Acts of violence, terrorism, and civil unrest can cause significant disruption and distress for international businesses. Unfortunately, many of the conditions that precede major conflicts are higher than they have been since the end of the Second World War¹.

With our Political Violence and Terrorism (PVT) solution, our experienced and dedicated team will craft tailored solutions to help businesses navigate and protect against an ever-evolving geopolitical landscape.

Our coverage

Our PVT solution has been designed to protect businesses against Property Damage and subsequent Business Interruption for worldwide exposures (excluding sanctioned territories).

We provide cover for:

- Terrorism and Sabotage
- Strikes, Riots, Civil Commotion, and Malicious Damage
- Insurrection, Revolution, Rebellion, Coup d'état, and Mutiny
- War and Civil War

Limits

Generous limits of **up to £500m per risk** available.

Why Aviva?

- **Our dedicated team has decades of experience** writing complex and tailored PVT solutions for international businesses.
- **Bespoke and integrated wordings** written standalone or as an extension to a property line.
- **Multinational capability** through a trusted network of partners covering 170 global territories, ensuring compliant local programmes.
- **Both company and Lloyd's stamps** available depending on licensing and requirements following the acquisition of Probitas 1492.
- **Our claims team guides our customers through the claims process** from start to finish. For more complex risks, our claims service managers will work alongside businesses to design a claims procedure in advance of a major loss to avoid any delays.
- **Tailored risk management and prevention services** help businesses find, assess, and measure their risks to create a safer and more robust business.
