

# Regional Mid-Market Technology

## Quick Guide

Aviva's Commercial Combined Technology insurance is designed for a wide range of tech and electronics trades, whether the business specialises in web development, computer system design or manufacturing.

There are no mandatory sections, with every cover being optional, enabling the build of a commercial insurance solution which specifically meets the needs of each business.

### Professional indemnity

Protection against the financial impact of claims made against the business by a third party as a result of their business activities.

- Cover for breach of contract and other civil liabilities for businesses who provide services or technology.
- Offered on an 'any one claim' basis as standard.
- Prosecution costs for infringement of IP – up to £25,000 per period of insurance towards legal costs and expenses to prosecute an infringement of the business's own intellectual property rights.
- Cover for non-UK subsidiaries can be considered.

### Public and products liability

- **Efficacy covered as standard in most cases.**
- **Worldwide jurisdiction.**
- **Legal costs and expenses to defend prosecutions** – covering all relevant health and safety, corporate manslaughter and corporate homicide legislations.
- **Hired or rented premises** – up to £500,000 for damage to premises hired or rented for the purpose of the business.
- **Payment for court attendance** – £500 limit per day for directors and employees.
- **Injury to working partners.**
- **Liability under data protection legislation.**

### Employers' liability

Covering legal liability to employees for bodily injury which happens in the course of working for the business.

- **Legal costs and expenses to defend prosecutions** – covering all relevant health and safety, corporate manslaughter and corporate homicide legislations.
- **Section cover limit** – £10,000,000 included as standard.

# Regional Mid-Market Technology

## Quick Guide

### Cyber

Protection against the financial impact of cyber risks such as hacker attacks, ransomware, denial of service attacks, reputational damage or compensation claims made against the business for failing to keep personal or commercial data secure.

- **Protection** – a wide package of covers which are simple and flexible.
- **Resolution** – a rapid 24/7/365 response with specialist support services to get customers back to business as usual as soon as possible.
- **Risk management** – a range of discounted cyber security products and services via our specialist partner scheme.
- **Resilience improvements** – up to £25,000 towards improving the resilience of computer systems following a claim.

### Property damage

- **Property away** – bespoke protection for business equipment while away from the premises can be provided to meet the needs of the business.
- **Energy efficiency** – up to £10,000 per period of insurance for the additional cost and expense of replacing damaged portions of insured buildings in a way which reduces environmental impact and improves sustainability.
- **Exhibition sites** – up to £25,000 for any one claim for damage to property while at exhibitions of up to seven days.
- **Burn-in testing** – cover for damage to stock arising from sudden and unplanned change in temperature during burn-in testing – up to £50,000 in any one period of insurance.
- **Metal workers extension** – up to £50,000 for any one location and £250,000 per period of insurance to cover stock and materials at the premises of machine makers, engineers, founders, metal workers, customers, agents and subcontractors.
- **Homeworking** – up to £5,000 per director, partner or employee. Protecting assets as people continue to work more flexibly.
- **Temporary repair costs** – up to £20,000 any one claim, for costs to make temporary repairs to property following damage.
- **Trade samples** – £500 for any one item and £10,000 for any one claim for damage to trade samples while anywhere in the European Economic Area.
- **Optional resilient repairs cover** – following damage by storm, flood, and in some circumstances escape of water, we will pay additional costs to implement solutions to try to limit the impact of a similar future loss.

### Business interruption

Protecting you against loss of business income following insured damage to property. Cover is available on a traditional insured revenue or insured profit basis with flexi-loss and research expenditure costs cover also available if more appropriate for the business.

- **Essential personnel** – up to £50,000 for any one claim for costs and expenses incurred to limit business interruption as a result of death or total disablement of an owner, partner, company director or trustee.
- **Public relations expenses** – up to £10,000 for any one period of insurance.
- **Full failure of telecommunications** – up to £100,000 for any one claim for damage. Non-damage limits are lower.
- **Full failure of electricity, gas and/or water** – £100,000 per claim and £300,000 in aggregate for accidental failure (damage). Lower limits apply to non-damage events.

## The following covers are also available:

### Legal protection

**Expert advice and service** – access to legal advice to minimise the risk of any potential legal issue escalating. Also provides cover for legal representation and the cost of legal expenses if a matter has to be taken to court.

### Management liability

**Providing financial protection as an individual (directors and officers liability) and/or as a company (employment practices liability and corporate legal liability) in the event that claims are made in relation to the running of the business.**

#### Directors and officers liability (core)

- Broad definition of 'insured person', including employees acting in a managerial capacity.
- Reimbursement to the company if it pays out to protect the director or officer.
- Legal representation expenses (up to the policy limit).
- Cover automatically extended to newly established or acquired subsidiary companies (subject to the size of the new company).

#### Directors and officers liability (additional cover)

- Cover for legal costs, expenses and any civil damages awarded against the director or officer.
- Automatic cover for spouses, heirs and legal representatives named in proceedings by virtue of their status as such.
- Property damage defence costs.

#### Corporate legal liability insurance (optional)

- Cover for defence costs, and in some cases awards and damages.
- Breach of contract defence costs.

### Accident and health

**Injury and travel protection** – covering the business need for financial benefits to be paid in the event of accidental bodily injury to an employee, and/or providing financial protection for employees while travelling for the purposes of the business.

### Commercial crime

**Direct financial loss protection** – wide protection against direct financial loss sustained by a business due to theft, fraud or dishonesty by its employees and/or third parties.

It covers loss of money, securities or property belonging to the business's clients or customers which is in the care, custody and control of the business and for which the business has legal responsibility.

### Money and assault

**People and property** – money cover provided at varying locations such as at the premises, in transit and at the homes of authorised employees. Assault cover includes damage to clothing and personal belongings, and medical and dental expenses.

## Added-value services:

### DAS Businesslaw

<https://avivabusinesslaw.farill.io/>

This is a complimentary website, provided by Aviva, offering many tools and resources to help your client manage their business effectively. Once insurance is in place with us, your client will have access to:

- unlimited legal advice via the legal advice helpline.
- email alerts on changes in law, legislation and regulation.
- a range of regularly updated business and legal guides, document builders, interactive checklists and videos that can help with the day-to-day running of the business, as well as helping to manage exposure to legal risk.
- topics ranging from branding, crowdfunding and financial and tax planning to marketing strategy can help to build and grow your client's business.

### Why Aviva?

#### The Aviva way of underwriting: whole-customer approach

- **Modular product approach** – to cater for all cover needs under one policy: more efficient service for clients and brokers.
- **Access to regionally based underwriters** – empowered to tailor covers, products and limits to meet customer needs.
- **Data-led personalisation to ensure adequacy of cover** – offering solutions for risks such as underinsurance by leveraging data and analytics in real time.

#### The Aviva difference: instilling trust and confidence

- **Fast, fair and reliable claims** – helplines available 24/7 with UK-based claims handlers.
- **Access to specialist and technical legal experts.**
- **Complimentary tax and legal helpline** – including a counselling service for employees.

#### Aviva the long-term partner: forward-thinking

- **Sustainability insight support** – access to the enterprise nation hub to assist small businesses with their sustainability goals.
- **Comprehensive risk management solutions** – online, on demand or in person to suit the needs of individual businesses.
- **Access to specialist partner network** – a wide range of products and services available at preferential rates to meet the risk and management needs of businesses.
